## **INTRODUCTORY SECTION**

October 26, 2020

To the Honorable Mayor, Members of City Council, and Citizens of the City of Shelby:

State law requires that all municipal governments publish a complete set of financial statements presented in conformity with generally accepted accounting principles (GAAP) and audited in accordance with generally accepted auditing standards by a firm of licensed certified public accountants. Pursuant to that requirement, we hereby issue the comprehensive annual financial report of the City of Shelby for the fiscal year ended June 30, 2020.

This report consists of management's representation concerning the finances of the City of Shelby. Consequently, management assumes full responsibility for the completeness and reliability of all of the information presented in this report. To provide a reasonable basis for making these representations, management of the City of Shelby has established a comprehensive internal control framework that is designed both to protect the government's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the City of Shelby's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the City of Shelby's comprehensive framework of internal controls has been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

The independent certified public accounting firm of Martin Starnes and Associates, CPA's, P.A. has audited the City of Shelby's financial statements. The goal of the independent audit was to provide reasonable assurance that the financial statements of the City of Shelby for the fiscal year ended June 30, 2020, are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was a reasonable basis for rendering an unmodified opinion that the City of Shelby's financial statements for the fiscal year ended June 30, 2020, are fairly presented in conformity with GAAP. The independent auditors' report is presented as the first component of the financial section of this report.

The independent audit of the financial statements of the City of Shelby was part of a broader, federally mandated "Single Audit" designed to meet the special needs of federal grantor agencies. The standards governing Single Audit engagements require the independent auditor to

report not only on the fair presentation of the financial statements, but also on the audited government's internal controls and compliance with legal requirements, with special emphasis on internal controls and legal requirements involving the administration of federal awards.

GAAP requires the management to provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement MD&A and should be read in conjunction with it. The City of Shelby's MD&A can be found immediately following the report of the independent auditors.

#### Profile of the Government

The City of Shelby was incorporated in 1843 and serves as the county seat of Cleveland County. The City lies in the piedmont region of North Carolina approximately 40 miles west of Charlotte. The City was named after Colonel Isaac Shelby, who fought in the Revolutionary War and was a revolutionary war hero and later became the governor of Kentucky. The City has a population of approximately 20,000 and presently covers a land area of 22 square miles. The City of Shelby is empowered to levy a property tax on both real and personal properties located within its boundaries. It also is empowered by state statute to extend its corporate limits by annexation, which occurs periodically when deemed appropriate by the City Council.

The City has a council/manager form of government. The City Council ("Council") is the policy making and legislative body of city government and includes a mayor and six council members. The Mayor and Council are elected at-large on a non-partisan basis and serve staggered four-year terms. Elections are held in October of odd numbered years. The City Manager, the chief administrative officer, is appointed by and serves at the pleasure of the Council and is responsible for carrying out the policies and ordinances of the Council and administering the daily operations and programs of the City through appointed department heads and staff members.

The City provides a wide range of services for its citizens, including law enforcement, fire prevention and suppression, planning and developmental services, solid waste collection, street maintenance, public cemeteries, airport operations, cultural and recreational activities, general administration, and public housing. In addition to these general government activities, the City provides and maintains water, sewer, electric, natural gas, and stormwater utilities for the benefit of its citizens. This report includes all of the City's fiscal activities in maintaining these services. The City also extends financial support to certain boards, agencies and commissions to assist their efforts in serving citizens. Among these are the Cleveland County Arts Council, Destination Cleveland County, Chamber of Commerce, Cleveland County Economic Development Partnership and the Uptown Shelby Association.

The annual budget serves as the foundation for the City of Shelby's financial planning and control. All agencies of the City are required to submit requests for appropriation to the City Manager who is also the City's Budget Officer. The City Manager uses these requests as the starting point for developing a proposed budget. The City Manager then presents this proposed budget to the Council for review. The Council is required to hold a public hearing on the

proposed budget and to adopt a final budget no later than June 30, the close of the City's fiscal year. The appropriated budget is prepared by fund, function and department. The City Manager is authorized to make transfers of appropriation within a department he believes necessary. The City Manager is also authorized to make interdepartmental transfers in the same fund, as long as the transfer is less than ten percent of the appropriated monies for the department whose allocation is being reduced. Interdepartmental transfers of more than ten percent or interfund transfers require Council authorization. Budget-to-actual comparisons are provided in this report for each individual governmental fund for which an appropriated annual budget has been adopted. For the general fund, this is part of the basic financial statements. For governmental funds, other than the general fund, with appropriated annual budgets, this comparison is presented in the combining and individual fund statements and schedules sections. Also included are project-length budget-to-actual comparisons for each governmental fund for which a project-length budget has been adopted.

### **Factors Affecting Financial Condition**

The information presented in the financial statements is perhaps best understood when it is considered from the broader perspective of the specific environment within which the City of Shelby operates.

Local economy. Located in the middle of the County, the City is situated between two of the largest metropolitan areas of the Carolinas – the Charlotte region and the Greenville/Spartanburg region. Four-lane US Highway 74 transects the County and provides direct access to Charlotte and Asheville, four interstate highways, and four major seaports. The City's proximity to Charlotte, the region's commercial, financial and trucking center, also provides access to one of the nation's largest international airports.

The County has a diverse industrial base with no dependence on any one industry. Products manufactured in the County include textiles, fiberglass, paper products, truck cabs, transmissions, aircraft parts, metal fabrication, electric motors, military armor and production equipment. Large manufacturers with facilities located in the County include NEG Industries, Clearwater Paper Corporation, Ultra Machine & Fabrication, Greenheck, KSM Castings Group, Specialty Lighting, Mafic and Kendrion Inc. formerly FAS Controls. Several of these are located inside the City and most of these industries are served by at least one of the City's utilities. The City is served by Atrium Health, Cleveland, a 240 bed medical facility with approximately 1,000 employees that is one of the City's top five utility customers. The availability of an educated work force is always a concern to any new business or industry desiring to locate within the County. Vocational education programs offered through the public schools, Cleveland Community College, and Gardner Webb University support job training in the County.

The City continues to develop and market the Foothills Commerce Center in Shelby. This 152-acre business park partnership with Cleveland County ensures the availability of a quality economic development product that is being effectively marketed to both new and existing industry. The City Foothills Commerce Center was awarded the designation as a "Certified Business Park". Ultimately this designation lets potential industrial clients know that the City has completed the upfront due diligence on the site.

Clearwater Paper Corporation, a company that manufactures private brand paper products, has expanded its existing 990,000 sq. foot facility with an additional \$330 million in net new investment. Clearwater Paper Corporation previously employed approximately 264 employees and added another 180 through this expansion. Clearwater Paper Corporation has been annexed into the City and is being served by City utilities.

MAFIC, SA, a company that manufactures basalt fiber material, is currently constructing \$15 million in net new investment. MAFIC, SA will employ 113 employees at this facility. MAFIC SA is located within the City and will be served by City utilities.

Greenheck Fan Coropration has announced that it will expand its manufacturing facilities in Shelby, North Carolina. The company will invest nearly \$60 million to expand production of its Dedicated Outdoor Air Systems (DOAS), Tempered Air Products (TAP) and Architectural Products. Approximately 400 new manufacturing jobs will be created over the next five years.

The City continues to see an increase in smaller retail and commercial activity, which is an indication that the economic market is continuing to grow.

**Long-term financial planning.** The City of Shelby completed a Strategic Growth Plan in FY 2005, adopted by City Council in FY 2006. The strategic plan identified key quality of life issues that the City will focus its efforts on over the next 10 years. These issues range from community appearance to economic development to infrastructure. These issues are expected to have a financial component that will help the City determine budget priorities for future years.

The City Council approved the Center City Master Plan in FY 07. The report is the product of a successful partnership led by the City of Shelby with substantial assistance from the Uptown Shelby Association, Destination Cleveland County, and many citizens and stakeholders from the community. The plan will serve as a flexible blueprint for the future. It will be a way to channel investment, build community pride and focus, and help organizations understand how their role in the community relates to others.

In FY 2009 the City Council approved a Comprehensive Parks and Recreation Master Plan. The plan will provide a framework for guiding the City in both its current evaluation, and long-range planning for the parks and recreation system for the City. The plan also makes recommendations for addition or renovations of park and recreational facilities, as well as recommendation on programs. A key objective of the comprehensive plan was the solicitation of community input helping identify the needs of the City's park and recreation system.

**Financial Information.** The budget is an integral part of a local government's accounting system and daily operations. The City, in accordance with North Carolina General Statues, operates its financial systems under an act known as the "Local Government Budget and Fiscal Control Act" (LGBFCA) which provides extensive budgetary controls. The object of these controls is to ensure compliance with legal provisions embodied in the annual appropriated budget approved by the City Council. Multi-year capital project budget ordinances are authorized for projects that extend into

two or more fiscal years. The level of budgetary control is at the departmental level within each fund. The City also maintains an encumbrance accounting system as one method to maintain budgetary control. Encumbrance amounts lapse at year-end but are re-appropriated as part of the following year's budget.

In accordance with the LGBFCA, the City's budget is prepared on the modified accrual basis; and it's accounting records are also maintained on that basis. Under modified accrual accounting, revenues are recorded when they are both measurable and available. Expenditures are recorded when a fund liability is incurred, except for un-matured principal and interest on long-term debt and certain compensated absences, claims and judgments. Governmental fund types are reported on the modified accrual basis in the fund financial statements. The Proprietary Funds are reported on the full accrual basis in the financial statements, under which revenues are recorded when earned and expenditures are recorded when incurred. The City regularly reviews revenues and expenditures throughout the fiscal year.

The City is required by the LGBFCA to have an annual independent financial audit. A compliance audit on federal and state financial assistance programs is also required under the federal Single Audit Act of 1984 and the State Single Audit Implementation Act of 1987, and the related U.S. Office of Management and Budget's Circular A-133. Generally accepted auditing standards and the standards set forth in the General Accounting Office's Government Auditing Standards were used by the auditors in conducting this audit. The auditors' report on the basic financial statements, fund statements, and schedules are included in the Financial Section of this report. The auditors' reports required as part of a single audit are found in the Compliance Section of this report.

### **Budget Highlights for FY 2021**

The City tax rate remained unchanged at 52.25 cents per one hundred dollars of valuation for FY 2021. Budgeted expenditures in the General Fund are expected to decrease slightly to \$25,874,835 in FY 2021. This budget includes the purchase of various pieces of equipment, which will be financed over a period of 59 months. The City's water, sewer and electric rates remained unchanged for FY 2021. The City will remain on the margin-based rate structure implemented in July 2001 with its Gas Fund. The margins will not increase in FY 2021.

### **AWARDS AND ACKNOWLEDGMENTS**

The Governmental Finance Officers Association (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Shelby for its comprehensive annual financial report (CAFR) for the fiscal year ended June 30, 2019. This was the twenty second consecutive year that the City has received this prestigious award. In order to be awarded a Certificate of Achievement, the government published an easily readable and efficiently organized CAFR. This report satisfied both GAAP and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe that our current CAFR continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

We wish to thank the Mayor and members of City Council for their support and interest in planning and conducting the financial operations of the City in a responsible and progressive manner. We also thank them for the trust they have given City administration. The preparation of this report has been accomplished through the dedicated efforts of the Finance Department staff and the assistance of the independent auditors, Martin Starnes and Associates, CPA's, P.A. We would like to express our appreciation to all personnel who assisted and contributed to the preparation of this report.

Respectfully submitted,

Rick Howell City Manager Beth B. Beam Director of Finance

## FINANCIAL SECTION

"A Professional Association of Certified Public Accountants and Management Consultants"

### **Independent Auditor's Report**

To the Honorable Mayor and Members of the City Council City of Shelby Shelby, North Carolina

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Shelby, North Carolina, as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of the City of Shelby ABC Board. Those financial statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for the City of Shelby ABC Board, is based solely on the report of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. The financial statements of the City of Shelby ABC Board were not audited in accordance with *Government Auditing Standards*.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Opinions**

In our opinion, based upon our audit and the report of the other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Shelby, North Carolina, as of June 30, 2020, and the respective changes in financial position and, where applicable, cash flows thereof and the respective budgetary comparison for the General Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters

### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis, the Other Post-Employment Benefits Schedule of Changes in the Total OPEB Liability and Related Ratios, the Local Government Employees' Retirement System Schedules of the Proportionate Share of the Net Pension Liability (Asset) and Contributions, and the Law Enforcement Officers' Special Allowance Schedules of the Changes in Total Pension Liability and Total Pension Liability as a Percentage of Covered Payroll, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economical, or historical context. We and the other auditors have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information, because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Supplementary and Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Shelby's basic financial statements. The introductory section, combining and individual fund financial statements, budgetary schedules, other schedules, statistical section, as well as the accompanying Schedule of Expenditures of Federal and State Awards as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and the State Single Audit Implementation Act, are presented for purposes of additional analysis and are not a required part of the basic financial statements. The Financial Data Schedule is presented for purposes of additional analysis as required by the U.S. Department of Housing and Urban Development and is not a required part of the basic financial statements.

The combining and individual fund financial statements, budgetary schedules, other schedules, Financial Data Schedule and the Schedule of Expenditures of Federal and State Awards are the responsibility of management and were derived from, and relate directly to, the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including

comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements, or the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America by us and other auditors. In our opinion, based on our audit, the procedures performed as described above, and the report of other auditors, the combining and individual fund financial statements, budgetary schedules, other schedules, Financial Data Schedule and the Schedule of Expenditures of Federal and State Awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory section and the statistical section have not been subjected to the auditing procedures applied in the audit of basic financial statements and, accordingly, we do not express an opinion or provide assurance on them.

### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 26, 2020 on our consideration of the City of Shelby's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements, and other matters. The purpose of the report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Shelby's internal control over financial reporting and compliance.

#### **Management's Discussion and Analysis**

As management of the City of Shelby (the "City"), we offer readers of the City of Shelby's financial statements this narrative overview and analysis of the financial activities of the City of Shelby for the fiscal year ended June 30, 2020. We encourage readers to read the information presented here in conjunction with additional information that we have furnished in the City's financial statements, which follow this parrative.

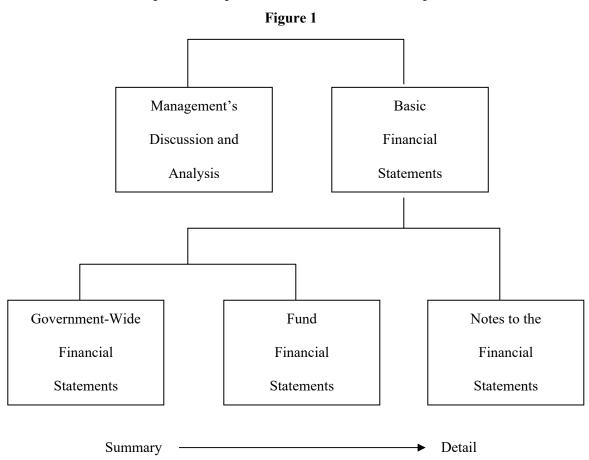

### **Financial Highlights**

- The assets and deferred outflows of resources of the City of Shelby exceed its liabilities and deferred inflows of resources at the close of the fiscal year by \$177,577,257 (net position).
- The government's total net position increased by \$12,843,361, due to an increase of \$4,694,997 in governmental activities' net position and an increase of \$8,148,364 in business-type activities' net position.
- As of the close of the current fiscal year, the City of Shelby's governmental funds reported combined ending fund balances of \$15,121,904, with a net increase in fund balance of \$144,741. Approximately 56.77 percent of this total amount, or \$8,584,363, is non-spendable or restricted.
- At the end of the current fiscal year, unassigned fund balance for the General Fund was \$4,538,861, or 17.67 percent, of total General Fund expenditures and transfers out for the fiscal year.

#### **Overview of the Financial Statements**

This discussion and analysis is intended to serve as an introduction to the City of Shelby's basic financial statements. The City's basic financial statements consist of three components; 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements (see Figure 1). The basic financial statements present two different views of the City through the use of government-wide statements and fund financial statements. In addition to the basic financial statements, this report contains other supplemental information that will enhance the reader's understanding of the financial condition of the City of Shelby.

### **Required Components of Annual Financial Report**

#### **Basic Financial Statements**

The first two statements (Exhibits A and B) in the basic financial statements are the **Government-Wide Financial Statements**. They provide both short and long-term information about the City's financial status.

The next statements (Exhibits C through I) are **Fund Financial Statements**. These statements focus on the activities of the individual parts of the City's government. These statements provide more detail than the government-wide statements. There are three parts to the fund financial statements: 1) the governmental funds statements, 2) the budgetary comparison statements, and 3) the proprietary fund statements.

The next section of the basic financial statements is the **Notes to the Financial Statements**. The notes explain in detail some of the data contained in those statements. Following the notes is the **Required Supplemental Information**. This section contains funding information about the City's pension plans.

After the notes, **Supplemental Information** is provided to show details about the City's funds. Budgetary information required by the General Statutes also can be found in this part of the statements.

#### **Government-Wide Financial Statements**

The government-wide financial statements are designed to provide the reader with a broad overview of the City's finances, similar in format to a financial statement of a private-sector business. The government-wide statements provide short and long-term information about the City's financial status as a whole.

The two government-wide statements report the City's net position and how it has changed. Net position is the difference between the City's total assets and deferred outflows of resources and total liabilities and deferred inflows of resources. Measuring net position is one way to gauge the City's financial condition.

The government-wide statements are divided into three categories: 1) governmental activities, 2) business-type activities, and 3) the component unit. The governmental activities include most of the City's basic services, such as public safety, parks and recreation, and general administration. Property taxes, local option sales tax, and federal and state grant funds finance most of these activities. The business-type activities are those that the City charges customers to provide. These include the water, sewer, electric, natural gas, and housing assistance services offered by the City of Shelby. The final category is the component unit. Although legally separate from the City, the ABC Board is important to the City, because the City exercises control over the Board by appointing its members, and because the Board is required to distribute its profits to the City.

The government-wide financial statements are on Exhibits A and B of this report.

#### **Fund Financial Statements**

The fund financial statements (see Figure 1) provide a more detailed look at the City's most significant activities. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City of Shelby, like all other governmental entities in North Carolina, uses fund accounting to ensure and reflect compliance (or non-compliance) with finance-related legal requirements, such as the General Statutes or the City's budget ordinance. All of the funds of the City of Shelby can be divided into two categories: governmental funds and proprietary funds

Governmental Funds. Governmental funds are used to account for those functions reported as governmental activities in the government-wide financial statements. Most of the City's basic services are accounted for in governmental funds. These funds focus on how assets can readily be converted into cash flow in and out, and what monies are left at year-end that will be available for spending in the next year. Governmental funds are reported using an accounting method called *modified accrual accounting*, which provides a short-term spending focus. As a result, the governmental fund financial statements give the reader a detailed short-term view that helps him or her determine if there are more or less financial resources available to finance the City's programs. The relationship between governmental activities (reported in the Statement of Net Position and the Statement of Activities) and governmental funds is described in a reconciliation that is a part of the fund financial statements.

The City of Shelby maintains six individual governmental funds. Information is presented separately in the governmental fund balance sheet and in the governmental fund statement of revenue, expenditures, and changes in fund balance for the General Fund, which is considered to be a major fund. Data from the other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of combining statements elsewhere in this report.

The City of Shelby adopts an annual budget for its General Fund, as required by the General Statutes. The budget is a legally adopted document that incorporates input from the citizens of the City, the management of the City, and the decisions of the Council about which services to provide and how to pay for them. It also authorizes the City to obtain funds from identified sources to finance these current period activities. The budgetary statement provided for the General Fund demonstrates how well the City complied with the budget ordinance and whether or not the City succeeded in providing the services as planned when the budget was adopted. The budgetary comparison statement uses the budgetary basis of accounting and is presented using the same format, language, and classifications as the legal budget document. The statement shows four columns: 1) the original budget as adopted by the Board; 2) the final budget as amended by the Board; 3) the actual resources, charges to appropriations, and ending balances in the General Fund; and 4) the difference or variance between the final budget and the actual resources and charges.

**Proprietary Funds.** The City of Shelby has one kind of proprietary fund. *Enterprise funds* are used to report the same functions presented as business-type activities in the government-wide financial statements. The City of Shelby uses enterprise funds to account for its water, sewer, electric, natural gas, and stormwater operations, as well as its housing assistance program, which the U.S. Department of Housing and Urban Development requires to be accounted for in an Enterprise Fund. These funds are the same as those functions shown in the business-type activities in the Statement of Net Position and the Statement of Activities.

**Notes to the Financial Statements.** The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements follow Exhibit I of this report.

**Other Information.** In addition to the basic financial statements and accompanying notes, this report includes certain required supplementary information concerning the City of Shelby's progress in funding its obligation to provide pension and other post-employment benefits to its employees. Required supplementary information can be found beginning on Schedule A-1 of this report.

**Interdependence with Other Entities.** The City depends on financial resources flowing from, or associated with, both the federal government and the State of North Carolina. Because of this dependency, the City is subject to changes in specific flows of intergovernmental revenues based on modifications to federal and state laws and federal and state appropriations. It is also subject to changes in investment earnings and asset values associated with U.S. Treasury Securities because of actions by foreign governments and other holders of publicly held U.S. Treasury Securities.

### **Government-Wide Financial Analysis**

| Unrestricted                | (11,406,434)  | (9,548,369)    | 18,080,138                      | 12,581,174            | 6,673,704      | 3,032,805      |
| Total net position          | \$ 47,906,785 | \$ 43,211,788  | <u>\$ 129,670,472</u>           | <u>\$ 121,522,108</u> | \$ 177,577,257 | \$ 164,733,896 |

As noted earlier, net position may serve, over time, as one useful indicator of a government's financial condition. The assets and deferred outflows of the City of Shelby exceeded liabilities and deferred inflows by \$177,577,257 as of June 30, 2020. The City's net position increased by \$12,843,361 for the fiscal year ended June 30, 2020. The City's net position also reflects the net investment in capital assets (e.g., land, buildings, and equipment), less any related debt still outstanding that was issued to acquire those items. The City of Shelby uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City of Shelby's net investment in its capital assets is reported net of the outstanding related debt, the resources needed to repay that debt must be provided by other sources, since the capital assets cannot be used to liquidate these liabilities. An additional portion of the City's net position, \$6,349,974, represents resources that are subject to external restrictions on how they may be used. The remaining balance of \$6,673,704 is unrestricted.

Several particular aspects of the City's financial operations positively influenced the total unrestricted governmental net position:

- Property tax collection rate remained stable with a current year collection rate of 97.09%. as compared with 98.15% in the previous year.
- Increase in sales tax collections contributed to increased revenues in the current year. Due to growth in the City's tax base, the ad valorem distribution percentage increased.
- Increase in charges for services and grants and contributions increased revenues in the current year.
- The first full year of Clearwater Paper Corporation S2 operations positively influenced the net position as well.

**Governmental Activities.** Governmental activities increased the City's net position by \$4,694,997. Key elements of this increase are as follows:

- Increase in property tax levy contributed to an overall increase in revenues in the current year
- Increase in sales tax collections contributed to overall revenue increase in the current year as the ad valorem distribution percentage increased

**Business-Type Activities.** Business-type activities increased the City of Shelby's net position by \$8,148,364. Key elements of this increase are as follows:

- Increase in cash is related to debt proceeds received in the current year that will be used for construction of capital assets.
- Inflows of cash, primarily through increased revenues from water, sewer and electric sales to customers. Clearwater Paper Corporation S2 was operational for the first full year.

### Financial Analysis of the City's Funds

As noted earlier, the City of Shelby uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

**Governmental Funds**. The focus of the City of Shelby's governmental funds is to provide information on near-term inflows, outflows, and balances of usable resources. Such information is useful in assessing the City of Shelby's financing requirements. Specifically, fund balance available for appropriation can be a useful measure of a government's net resources available for spending at the end of the fiscal year.

The General Fund is the chief operating fund of the City of Shelby. At the end of the current fiscal year, fund balance available in the General Fund was \$5,508,138, while total fund balance reached \$9,461,584. As a measure of the General Fund's liquidity, it may be useful to compare both available fund balance and total fund balance to total fund expenditures. Available fund balance represents 22.26% of total General Fund expenditures and transfers to other funds, while total fund balance represents 38.24% of that same amount.

At June 30, 2020, the governmental funds of the City of Shelby reported a combined fund balance of \$15,121,904, an increase of \$144,741 from last year. The primary reason for this increase is due to investment in capital assets during the current year and an increase in property tax revenues. Property tax receipts increased due to industrial expansion. The ad valorem distribution percentage of sales tax also increased due to industrial expansion.

The Capital Projects Fund is used by the City to house and track multi-year construction projects that are undertaken by the City. These projects are often funded by various revenue streams including debt issues, grant funds or transfers from other City funds.

General Fund Budgetary Highlights. During the fiscal year, the City revised the budget on several occasions. Generally, budget amendments fall into one of three categories: 1) amendments made to adjust the estimates that are used to prepare the original budget ordinance once exact information is available; 2) amendments made to recognize new funding amounts from external sources, such as federal and state grants; and 3) increases in appropriations that become necessary to maintain services. Total amendments to the General Fund increased revenues by approximately \$72,000 (0.32%). Amendments were necessary due to conservatism used in compiling the original budget and economic changes.

**Proprietary Funds**. The City of Shelby's proprietary funds provide the same type of information found in the government-wide statements, but in more detail. Unrestricted net position for the major enterprise funds at the fiscal year-end were as follows: the Water Fund was \$3,320,792; the Sewer Fund was \$(1,093,953); the Electric Fund was \$7,753,888; and the Gas Fund was \$5,511,575. Factors of these funds have already been addressed in the discussion of the City of Shelby's business-type activities.

### **Capital Asset and Debt Administration**

**Capital Assets.** The City of Shelby's capital assets for its governmental and business—type activities as of June 30, 2020 totaled \$233,810,917 (net of accumulated depreciation). These assets include buildings, land, improvements, and equipment.

Major capital asset transactions during the year include:

- Construction in Progress of Airport T-Hangar Project of \$2,418,905
- Construction in Progress of Uptown Streetscape/Pedestrian Improvement Project of \$3,008,798
- Construction in Progress of Job Ready Shell Building #3 of \$1,581,006
- Construction in Progress of Farmville Road Waterline Project of \$575,303
- Construction in Progress of Water Treatment Plant Project of \$9,873,954
- Construction in Progress of Wastewater Treatment Plant Biosolids Project of \$12,605,855
- Construction in Progress of WTP Electric Line Construction Project of \$319,339
- Construction in Progress of Hwy 74 Bypass "C" Section Gas Line Relocation of \$350,066
- Construction in Progress of Marion/Peach Street Gas Line Relocation of \$383,820

The State of North Carolina limits the amount of general obligation debt that a unit of government can issue up to 8 percent of the total assessed value of taxable property located within that government's boundaries. The legal debt margin for the City of Shelby is approximately \$122,800,000.

Additional information regarding the City of Shelby's long-term debt can be found in Note 2.B. on pages 50-61 of this audited financial report.

### **Economic Factors and Next Year's Budgets and Rates**

- The State of North Carolina unemployment numbers rose from 4.2% in June 2019 to 7.5% in June 2020. Cleveland County's numbers changed from 4.6% in June 2019 to 7.7% in June 2020.
- MAFIC, SA, a company that manufactures basalt fiber material, is currently completing constructing \$15 million in net new investment. MAFIC, SA will employ 113 employees at this facility. MAFIC SA is located within the City and will be served by City utilities.
- Greenheck Fan Corporation, a machining manufacturer of air movement and control equipment, announced an expansion project that will bring 403 new jobs and \$59 million in capital investment to the City of Shelby. Jobs will include both manufacturing and professional positions.
- The City of Shelby is building its third Job-Ready Shell building. Efforts to market the building and site are on-going.
- The City of Shelby has seen an increase in commercial and residential permit requests.

#### Budget Highlights for the Fiscal Year Ending June 30, 2021

Governmental Activities. The City tax rate remained unchanged at 52.25 cents per one hundred dollars of valuation for FY 2021. Budgeted expenditures in the General Fund are expected to increase to \$25,893,621 in FY 2021. This increase is largely due to the purchase of various pieces of equipment, which will be financed over a period of 59 months.

**Business-Type Activities.** The City's water, sewer and electric rates remained unchanged for FY 2021. The City will remain on the margin-based rate structure implemented in July 2001 with its Gas Fund. The margins will not increase in FY 2021.

## **Requests for Information**

This report is designed to provide an overview of the City's finances for those with an interest in this area. Questions concerning any of the information found in this report or requests for additional information should be directed to the Director of Finance, City of Shelby, PO Box 207, Shelby, North Carolina 28151.

# **BASIC FINANCIAL STATEMENTS**

The basic financial statements for the City of Shelby consist of both government-wide and fund financial statements.

#### CITY OF SHELBY, NORTH CAROLINA

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES -GOVERNMENTAL FUNDS - TO THE STATEMENT OF ACTIVITIES FOR THE YEAR ENDED JUNE 30, 2020

Amounts reported for governmental activities in the Statement of Activities (Exhibit B) are different because:

Exhibit D reports revenues using a current financial resources basis, which generally means revenue is recognized when collected, or is expected to be collected, within 90 days of year-end. Exhibit B reports revenues when the earning process is

complete, regardless of when it is collected. This measurement difference causes timing of revenue recognition differences for the following revenue types:

Net change in fund balances - total governmental funds (Exhibit D)

Property taxes 198,717

Grant revenues (1,623,697)

Capital outlays are reported as expenditures in the governmental funds statement. However, in the Statement of Activities, capital outlay is not an expense, rather it is an increase in capital assets.

8,609,690

\$

Expenses related to compensated absences, other post-employment benefits, and pension expense that do not require current financial resources and are not reported as expenditures in the governmental funds statement.

Compensated absences(2,179)Pension expense - LGERS(1,009,516)Pension expense - LEOSSA(75,770)Other post-employment benefits(84,801)

The issuance of long-term debt is reported as revenue in the governmental funds statement. However, in the Statement of Activities, it is not a revenue, rather it is an increase in liabilities.

(945,871)

Depreciation expense allocates the costs of capital assets over their useful lives. It is not reported as an expenditure in the governmental funds statement.

(1,985,545)

Change in accrued interest payable, governmental fund debt

(2,401)

Principal repayments are reported as expenditures in the governmental funds statement. However, in the Statement of Activities, these transactions are not an expense, rather they are a decrease in liabilities.

1,471,629

Change in net position of governmental activities per Exhibit B

4,694,997

### GENERAL FUND STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCE - BUDGET AND ACTUAL FOR THE YEAR ENDED JUNE 30, 2020

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

#### 1. Summary of Significant Accounting Policies

The accounting policies of the City of Shelby, North Carolina, (the "City") and its discretely presented component unit conform to generally accepted accounting principles as applicable to governments. The following is a summary of the more significant accounting policies:

#### A. Reporting Entity

The City is a municipal corporation that is governed by an elected Mayor and a six-member Council. As required by accounting principles generally accepted in the United States of America, these financial statements present the City and its component unit, a legally separate entity for which the City is financially accountable. The discretely presented component unit described below is reported in a separate column in the City's financial statements in order to emphasize that it is legally separate from the City.

#### City of Shelby ABC Board

The members of the ABC Board's governing board are appointed by the City. In addition, the ABC Board is required by state statute to distribute its surpluses to the General Fund of the City of Shelby and Cleveland City. The ABC Board, which has a June 30 year-end, is presented as if it were a proprietary fund (discrete presentation). Complete financial statements for the ABC Board may be obtained from the entity's administrative offices at the Shelby Board of Alcoholic Beverage Control, 8 West Warren Street, Shelby, North Carolina 28510.

#### **B.** Basis of Presentation

Government-Wide Statements. The Statement of Net Position and the Statement of Activities display information about the primary government and its component unit. These statements include the financial activities of the overall government. Eliminations have been made to minimize the double counting of internal activities. These statements distinguish between the governmental and business-type activities of the City. Governmental activities generally are financed through taxes, intergovernmental revenues, and other non-exchange transactions. Business-type activities are financed, in whole or in part, by fees charged to external parties.

The Statement of Activities presents a comparison between direct expenses and program revenues for the different business-type activities of the City and for each function of the City's governmental activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular function. Indirect expense allocations that have been made in the funds have been reversed for the Statement of Activities. Program revenues include (a) fees and charges paid by the recipients of goods or services offered by the programs and (b) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

Fund Financial Statements. The fund financial statements provide information about the City's funds. Separate statements for each fund category – governmental and proprietary – are presented. The emphasis of fund financial statements is on major governmental and enterprise funds, each displayed in a separate column. All remaining governmental and enterprise funds are aggregated and reported as nonmajor funds.

Proprietary fund operating revenues, such as charges for services, result from exchange transactions associated with the principal activity of the fund. Exchange transactions are those in which each party receives and gives up essentially equal values. Non-operating revenues, such as subsidies, result from non-exchange transactions. Other non-operating revenues are ancillary activities such as investment earnings.

The City reports the following major governmental funds:

**General Fund.** The General Fund is the general operating fund of the City. The General Fund accounts for all financial resources except those required to be accounted for in another fund. The primary revenue sources are ad valorem taxes and state-shared tax revenues. The primary expenditures are for public safety, streets and highways, sanitation, parks and recreation, and general government services.

The City maintains a separate Powell Bill fund for internal accounting purposes. This fund has been consolidated into the General Fund for reporting purposes.

**Capital Projects Fund.** The Capital Projects Fund is used to account for financial resources to be used for the acquisition or construction of major capital projects (other than those financed by proprietary funds) that benefit various functions of government within the City.

The City reports the following nonmajor governmental funds:

**Special Revenue Funds.** The special revenue funds account for specific revenue sources (other than special assessments, expendable trusts, or major capital projects) that are legally restricted to expenditures for specified purposes. The special revenue funds maintained by the City are the Economic Development Commission Fund and the Emergency Telephone System Fund.

**Capital Project Funds.** The capital project funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds). The nonmajor capital projects maintained by the City are the Economic Development Project Fund and the Economic Development Reserve Fund.

**Permanent Funds.** Permanent funds are used to report resources that are legally restricted to the extent that only earnings, and not principal, may be used for the benefit of the City. The permanent funds maintained by the City are the Raper Roark Trust Fund, which is used for the redevelopment, revitalization, and beautification of downtown Shelby, and the Cemetery Fund, which is used to account for the perpetual care of the municipal cemetery.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

The City reports the following major enterprise funds:

**Water Fund.** The Water Fund is used to account for the activities associated with the production, distribution, and transmission of potable water by the City to its users.

**Sewer Fund.** The Sewer Fund is used to account for the activities associated with operating and maintaining the City's sewer systems.

**Electric Fund.** The Electric Fund is used to account for the activities associated with the distribution and transmission of electricity by the City to its users.

**Gas Fund.** The Gas Fund is used to account for the activities associated with the distribution of natural gas by the City to its users.

The City reports the following nonmajor enterprise funds:

**Stormwater Fund.** The Stormwater Fund is used to account for the activities associated with operating and maintaining the City's stormwater systems.

**Housing Assistance Fund.** The Housing Assistance Fund is used to account for the activities associated with housing projects for low-income persons, including families, elderly, and/or handicapped persons. Funding is from the City and the U.S. Department of Housing and Urban Development.

#### C. Measurement Focus and Basis of Accounting

In accordance with North Carolina General Statutes, all funds of the City are maintained during the year using the modified accrual basis of accounting.

Government-Wide and Proprietary Fund Financial Statements. The government-wide and proprietary fund statements are reported using the economic resources measurement focus. The government-wide and proprietary fund financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned, and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place. Non-exchange transactions, in which the City gives (or receives) value without directly receiving (or giving) equal value in exchange, include property taxes, grants, and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenue from grants and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

Amounts reported as program revenues include 1) charges to customers or applicants for goods, services, or privileges provided; 2) operating grants and contributions; and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as general revenues rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the City enterprise funds are charges to customers for sales and services. The City also recognizes as operating revenue the portion of tap fees intended to recover the cost of connecting new customers to the water and sewer system. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Governmental Fund Financial Statements. Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt, claims and judgments, and compensated absences, which are recognized as expenditures to the extent they have matured. General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt and acquisitions under capital leases are reported as other financing sources.

The City considers all revenues available if they are collected within 90 days after year-end, except for property taxes. Ad valorem taxes receivable are not accrued as revenue because the amount is not susceptible to accrual. At June 30, taxes receivable for property other than motor vehicles are materially past due and are not considered to be an available resource to finance the operations of the current year. Also, as of September 1, 2013, state law altered the procedures for the assessment and collection of property taxes on registered motor vehicles in North Carolina. Effective with this change in the law, the State of North Carolina is responsible for billing and collecting the property taxes on registered motor vehicles on behalf of all municipalities and special tax districts. Property taxes are due when vehicles are registered. The billed taxes are applicable to the fiscal year in which they are received. Uncollected taxes that were billed in periods prior to September 1, 2013, and for limited registration plates, are shown as a receivable in these financial statements and offset by deferred inflows of resources.

Sales taxes and certain intergovernmental revenues, such as the utilities franchise tax, collected and held by the state at year-end on behalf of the City, are recognized as revenue. Sales taxes are considered a shared revenue for the City of Shelby because the tax is levied by Cleveland City and then remitted to and distributed by the state. Most intergovernmental revenues and sales and services are not susceptible to accrual, because, generally, they are not measurable until received in cash. All taxes, including those dedicated for specific purposes are reported as general revenues rather than program revenues.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

Under the terms of grant agreements, the City funds certain programs by a combination of specific cost-reimbursement grants, categorical block grants, and general revenues. Thus, when program expenses are incurred, there is both restricted and unrestricted net position available to finance the program. It is the City's policy to first apply cost-reimbursement grant resources to such programs followed by categorical block grants and then by general revenues.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are payments-in-lieu of taxes where the amounts are reasonably equivalent in value to the interfund services provided and charges between the City's utility enterprise funds and various other functions of the City. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

#### **D.** Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

#### E. Budgetary Data

The City's budgets are adopted as required by the North Carolina General Statutes. An annual budget is adopted for the General Fund, special revenue funds, enterprise funds, and the Electric Capital Reserve Fund. All annual appropriations lapse at fiscal year-end. Project ordinances are adopted for the capital projects funds and water, sewer, electric, and gas capital projects funds. All budgets are prepared using the modified accrual basis of accounting.

Expenditures may not legally exceed appropriations at the departmental level for all annually budgeted funds, funding source level for multi-year capital projects funds, and fund level for enterprise capital project funds. The City Manager is authorized to transfer appropriations between functional areas up to 10% of the appropriation for the department whose allocation is reduced; however, any revisions that alter the total expenditures of any fund must be approved by the City Council. The City Manager is also authorized to transfer between projects that are budgeted in the same capital project fund, transferring any remaining balances from any capital project upon its completion to the corresponding reserve fund. During the year, several immaterial amendments to the original budget were necessary. The budget ordinance must be adopted by July 1 of the fiscal year, or the City Council must adopt an interim budget that covers that time until the annual ordinance can be adopted.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

#### F. Assets, Liabilities, Deferred Outflows/Inflows, and Fund Equity

#### **Deposits and Investments**

All deposits of the City and its component unit are made in Board-designated official depositories and are secured as required by state law [G.S. 159-31]. The City and its component unit may designate, as an official depository, any bank or savings association whose principal office is located in North Carolina. Also, the City and its component unit may establish time deposit accounts such as NOW and SuperNOW accounts, money market accounts, and certificates of deposit.

State law [G.S. 159-30 (c)] authorizes the City and its component unit to invest in obligations of the United States or obligations fully guaranteed both as to principal and interest by the United States; obligations of the State of North Carolina; bonds and notes of any North Carolina local government or public authority; obligations of certain non-guaranteed federal agencies; certain high quality issues of commercial paper and bankers' acceptances; and the North Carolina Capital Management Trust ("NCCMT"). The City's and the ABC Board's investments are reported at fair value. Non-participating interest earning contracts are accounted for at cost. The NCCMT Government Portfolio, an SEC-registered (2a-7) money market mutual fund, is measured at fair value. The NCCMT-Term Portfolio is a bond fund, has no rating and is measured at fair value. As of June 30, 2020, The Term portfolio has a duration of .15 years. Because the NCCMT Government and Term Portfolios have a weighted average maturity of less than 90 days, they are presented as an investment with a maturity of less than 6 months.

In accordance with state law, the City has invested in securities, which are callable and which provide for periodic interest rate increases in specific increments until maturity. These investments are reported at fair value as determined by quoted market prices.

#### **Cash and Investments**

The City pools money from several funds to facilitate disbursement and investment and to maximize investment income and considers all cash and investments (including restricted assets) to include cash on hand, demand deposits, and short-term investments with a maturity of three months or less when purchased, and long-term investments with a maturity of greater than three months when purchased. Cash on hand, demand deposits, and highly liquid investments with a maturity of three months or less when purchased are considered to be cash and cash equivalents.

#### **Restricted Assets**

Donations for redevelopment, revitalization, and beautification of downtown Shelby and for perpetual care of the municipal cemetery are restricted by donors. Customer deposits held by the City before any services are supplied are restricted to the service for which the deposit was collected. The unexpended debt proceeds of the Capital Projects Fund's long-term debt issued are classified as restricted assets because their use is completely restricted for the purpose of which the debt was originally issued.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

Powell Bill funds, in the General Fund, are classified as restricted cash for Streets because they can be expended only for the purposes of maintaining, repairing, constructing, reconstructing, or widening of local streets per G.S. 136-41.4.

| Restricted Cash                  |           |           |
|----------------------------------|-----------|-----------|
| Governmental Activities:         |           |           |
| General Fund:                    |           |           |
| Streets                          | \$        | 307,277   |
| Capital Projects Fund:           |           |           |
| Unspent debt proceeds            |           | 1,713,897 |
| Raper Roark Trust Fund:          |           |           |
| Downtown redevelopment           |           | 609,725   |
| Cemetery Fund:                   |           |           |
| Perpetual care of cemetery       |           | 707,872   |
| Total governmental activities    | <u>\$</u> | 3,338,771 |
| <b>Business-Type Activities:</b> |           |           |
| Water Fund:                      |           |           |
| Electric Fund:                   |           |           |
| Customer deposits                | \$        | 594,062   |
| <b>Housing Assistance Fund:</b>  |           |           |
| Customer deposits                |           | 41,359    |
| Total business-type activities   | \$        | 635,421   |

#### **Ad Valorem Taxes Receivable**

In accordance with state law [G.S. 105-347 and G.S. 159-13(a)], the City levies ad valorem taxes on property other than motor vehicles on July 1, the beginning of the fiscal year. The taxes are due on September 1 (lien date); however, interest does not accrue until the following January 6. These taxes are based on the assessed values as of January 1, 2019. As allowed by state law, the City has established a schedule of discounts that apply to taxes that are paid prior to the due date. In the City's General Fund, ad valorem tax revenues are reported net of such discounts.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

#### **Allowance for Doubtful Accounts**

All receivables that historically experience uncollectible accounts are shown net of an allowance for doubtful accounts. This amount is estimated by analyzing the percentage of receivables that were written off in prior years and management's assessment of current conditions.

#### **Inventory and Prepaid Items**

Inventories of the City and its component unit are valued at cost (first-in, first-out), which approximates market. The City's General Fund inventory consists of expendable supplies that are recorded as expenditures when used, rather than when purchased.

The inventories of the City's enterprise funds consist of materials and supplies held for consumption. The ABC Board's inventories consist of materials and supplies held for sale to customers. The cost of the City's and the ABC Board's inventories are recorded as an expense as the inventories are consumed or sold.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements and expensed as the items are used.

#### **Capital Assets**

Capital assets, which include property, plant, equipment, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items) are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of two years. Donated capital assets received prior to June 30, 2015 are recorded at their estimated fair value at the date of donation. Donated capital assets received after June 30, 2015 are recorded at acquisition value. All other purchased or constructed capital assets are reported at cost or estimated historical cost. General infrastructure assets acquired prior to July 1, 2003 consist of the road network assets that were acquired, or that received substantial improvements subsequent to July 1, 1980, and are reported at estimated historical cost using deflated replacement cost. The cost of normal maintenance and repairs that do not add to the value of the asset, or materially extend asset lives, are not capitalized.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

Capital assets, except for land and construction in progress, are depreciated on the straight-line basis over the estimated useful lives of the assets as follows:

|                                  | <b>Estimated</b>    |
|----------------------------------|---------------------|
| Asset Class                      | <b>Useful Lives</b> |
| Infrastructure                   | 30 years            |
| Buildings and other improvements | 30 to 50 years      |
| Machinery and equipment          | 4 to 10 years       |
| Vehicles                         | 5 to 7 years        |

Property, plant, and equipment of the ABC Board are depreciated over their useful lives on a straight-line basis as follows:

|                            | Estimated     |
|----------------------------|---------------|
| Asset Class                | Useful Lives  |
| Building                   | 20 years      |
| Office and store equipment | 4 to 10 years |
| Land improvements          | 10-20 years   |
| Vehicles                   | 4 years       |

#### **Deferred Outflows/Inflows of Resources**

In addition to assets, the Statement of Net Position will sometimes report a separate section for deferred outflow of resources. This separate financial statement element, *Deferred Outflows of Resources*, represents a consumption of net position that applies to a future period and so will not be recognized as an expense or expenditure until then. The City has three items that meet this criteria in the current year – a charge on refunding, pension deferrals, and OPEB deferrals. In addition to liabilities, the Statement of Net Position can also report a separate section for deferred inflows of resources. This separate financial statement element, *Deferred Inflows of Resources*, represents an acquisition of net position that applies to a future period and so will not be recognized as revenue until then. The City has two items that meet this criteria – pension deferrals and OPEB deferrals.

#### **Long-Term Obligations**

In the government-wide financial statements and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund-type statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the straight-line method that approximates the effective interest method. Bonds payable are reported net of the applicable bond premiums or discount. Bond issuance costs, except for prepaid insurance costs, are expensed in the reporting period in which they are incurred. Prepaid insurance costs are expensed over the life of the debt.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

In fund financial statements, governmental fund-types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debit issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

#### **Compensated Absences**

The vacation policy of the City provides for the accumulation of up to 288 hours for general employees. Employees in the fire department can earn up to 382 hours, and employees of the police department can earn up to 308 hours of earned vacation leave, with such leave being fully vested when earned. For the City's government-wide and proprietary funds, an expense and a liability for compensated absences and the salary-related payments are recorded as the leave is earned. The City has assumed a first-in, first-out method of using accumulated compensated time. The portion of that time that is estimated to be used in the next fiscal year has been designated as a current liability in the government-wide financial statements.

Employees of the ABC Board receive vacation pay based on a scale determined by the Board. Vacation is earned in one year to be taken in the following year. If it is not taken by the end of the following year, it is paid to the employee. No liability for vacation pay existed as of June 30, 2020.

The City's sick leave policy provides for an unlimited accumulation of earned sick leave. Sick leave does not vest, but any unused sick leave accumulated at the time of retirement may be used in determination of length of service for retirement benefit purposes. Since the City has no obligation for accumulated sick leave until it is actually taken, no accrual for sick leave for the City employees has been made.

Employees of the ABC Board can accumulate sick leave at the rate of one day per month. Sick leave may be used in determination of length of service for retirement benefit purposes. Since the ABC Board has no obligations for the accumulated sick leave until it is actually taken, no accrual for sick leave for the ABC Board employees has been made.

#### **Net Position/Fund Balances**

Net position in the government-wide and proprietary fund financial statements are classified as net investment in capital assets; restricted and unrestricted. Restricted net position represents constraints on resources that are either externally imposed by creditors, grantors, contributors, laws or regulations of other governments, or imposed by law through state statute.

# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

#### **Fund Balances**

In the governmental fund financial statements, fund balance is composed of five classifications designed to disclose the hierarchy of constraints placed on how fund balance can be spent.

The governmental fund types classify fund balances as follows:

**Non-Spendable Fund Balance.** This classification includes amounts that cannot be spent because they are either (a) not in spendable form or (b) legally or contractually required to be maintained intact.

|  |                 |         | I  | Nonmajor            |
|--|-----------------|---------|----|---------------------|
|  | General<br>Fund |         | Go | vernmental<br>Funds |
| <i>Inventories</i> - portion of fund balance that is not an available resource, because it represents the year-end balance of ending inventories, which are not spendable resources.   | \$              | 129,606 | \$ | -                   |
| <i>Prepaids</i> - portion of fund balance that is not an available resource, because it represents the year-end balance of prepaids, which are not spendable resources.  |                 | 360,886 |    | 30,000              |
| Perpetual - portion of fund balance that consists of donations received, which the earnings are to be used for the redevelopment, revitalization, and beautification of downtown Shelby, and for the perpetual care of the municipal cemetery. The |                 |         |    |                     |
| donations are to be invested in perpetuity.  |                 |         |    | 1,317,597           |
| Total  | \$              | 490,492 | \$ | 1,347,597           |

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

**Restricted Fund Balance.** This classification includes revenue sources that are restricted to specific purposes externally imposed by creditors or imposed by law.

Restricted for Stabilization by State statute - North Carolina G.S. 159-8 prohibits units of government from budgeting or spending a portion of their fund balance. This is one of several statutes enacted by the North Carolina State Legislature in the 1930's that were designed to improve and maintain the fiscal health of local government units. Restricted by state statute (RSS), is calculated at the end of each fiscal year for all annually budgeted funds. The calculation in G.S. 159-8(a) provides a formula for determining what portion of fund balance is available for appropriation. The amount of fund balance not available for appropriation is what is known as "restricted by state statute". Appropriated fund balance in any fund shall not exceed the sum of cash and investments minus the sum of liabilities, encumbrances, and deferred revenues arising from cash receipts, as those figures stand at the close of the fiscal year next preceding the budget. Per GASB guidance, RSS is considered a resource upon which a restriction is "imposed by law through constitutional provisions or enabling legislation." RSS is reduced by inventories and prepaids as they are classified as non-spendable. Outstanding encumbrances are included within RSS. RSS is included as a component of restricted net position and restricted fund balance on the face of the balance sheet.

|  |              | Major               |                     |           |
|--|--------------|---------------------|---------------------|-----------|
|  | General      | Capital<br>Projects | Nonmajor<br>SRF/CPF | Permanent |
|  | Fund         | Fund                | Funds               | Fund      |
| Restricted for Stabilization by State Statute - portion of fund balance that is restricted by state statute [G.S. 159-8(a)].   | \$ 3,462,954 | \$ 44,744           | \$ 990,892          | \$ 11,284 |
| Restricted for Public Safety - portion of fund balance that is restricted by revenue source for certain emergency telephone system expenditures.   | -            | -                   | 215,226             | -         |
| Restricted for Streets - Powell Bill portion of fund balance that is restricted by revenue source for street construction and maintenance expenditures. This amount represents the total unexpended Powell Bill funds. | 307,277      | -                   | -                   | -         |
| Restricted for Transportation - portion of fund balance (unspent debt proceeds) that is restricted by revenue source for capital expenditures.   |              | 1,713,897           |                     |           |
| Total  | \$ 3,770,231 | <u>\$ 1,758,641</u> | <u>\$ 1,206,118</u> | \$ 11,284 |

Restricted fund balance differs on Exhibit A from Exhibit C for unspent debt proceeds in the governmental funds of \$1,713,897.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

Committed Fund Balance. This classification represents the portion of fund balance that can only be used for the specific purposes imposed by a majority vote determined by a formal action of the government's highest level of decision-making authority. The City Council is the highest level of decision-making authority for the government that can, by adoption of an ordinance prior to the end of the fiscal year, commit fund balance. Once adopted, the limitation imposed by the ordinance remains in place until a similar action is taken (the adoption of another ordinance) to remove or revise the limitation.

|   | General<br>Fund | Governmental Funds |
|---|-----------------|--------------------|
| Committed for Capital Projects - portion of fund balance that is committed for future capital activities. | \$ -            | \$ 199,475         |

**Assigned Fund Balance.** Assigned fund balance is the portion of fund balance that the City Council has budgeted. The governing board has the authority to assign fund balance through the budget process.

|   |                 |          | N                    | Vonmajor  |
|---|-----------------|----------|----------------------|-----------|
|   | General<br>Fund |          | Governments<br>Funds |           |
| Assigned for Subsequent Year's Expenditures - portion of fund balance that is appropriated in the next year's budget that is not already classified in restricted or committed. | \$              | 662,000  | \$                   | -         |
| Assigned for Economic Development - portion of fund balance that is assigned for economic development.  |                 | <u>-</u> |                      | 1,975,313 |
| Total   | \$              | 662,000  | \$                   | 1,975,313 |

**Unassigned Fund Balance.** Unassigned fund balance represents the portion of fund balance that has not been restricted, committed, or assigned to specific purposes or other funds. The General Fund is the only fund that reports a positive unassigned fund balance amount. In other governmental funds, it is not appropriate to report a positive unassigned fund balance amount. However, in governmental funds other than General Fund, if expenditures incurred for specific purposes exceed the amounts that are restricted, committed, or assigned to those purposes, it may be necessary to report a negative unassigned fund balance in that fund.

The City has a revenue spending policy that provides guidance for programs with multiple revenue sources. The Finance Officer will use resources in the following hierarchy: bond proceeds, federal funds, state funds, local non-City funds, and City funds. For purposes of fund balance classification, expenditures are to be spent from restricted fund balance first, followed in order by committed fund balance, assigned fund balance, and, lastly, unassigned fund balance. The Finance Officer has the authority to deviate from this policy if it is in the best interest of the City.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

The City has not adopted a formal fund balance policy. The following schedule provides management and citizens with information on the portion of General Fund balance that is available for appropriation:

| Total fund balance - General Fund (Exhibit C) | \$<br>9,461,584 |
|---|-----------------|
| Less:   |                 |
| Non-spendable                                 | (490,492)       |
| Stabilization by state statute                | <br>(3,462,954) |
| Available for appropriation                   | \$<br>5,508,138 |

#### **Defined Benefit Cost-Sharing Plans**

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions and pension expense information about the fiduciary net position of the Local Governmental Employees' Retirement System (LGERS) and additions to/deductions from LGERS' fiduciary net position have been determined on the same basis as they are reported by LGERS. For this purpose, plan member contributions are recognized in the period in which the contributions are due. The City of Shelby's employer contributions are recognized when due and the City of Shelby has a legal requirement to provide the contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of LGERS. Investments are reported at fair value.

#### 2. Detail Notes On All Funds

#### A. Assets

#### **Deposits**

All deposits of the City and its component unit are either insured or collateralized by using one of two methods. Under the Dedicated Method, all deposits that exceed the federal depository insurance coverage level are collateralized with securities held by the City's or its component unit's agents in their unit's names. Under the Pooling Method, which is a collateral pool, all uninsured deposits are collateralized with securities held by the State Treasurer's agent in the name of the State Treasurer. Since the State Treasurer is acting in a fiduciary capacity for the City and its component unit, these deposits are considered to be held by the City's and the component unit's agents in their names. The amount of the pledged collateral is based on an approved averaging method for non-interest-bearing deposits and the actual current balance for interest-bearing deposits. Depositories using the Pooling Method report to the State Treasurer the adequacy of their pooled collateral covering uninsured deposits. The State Treasurer does not confirm this information with the City or its component unit or the escrow agent. Because of the inability to measure the exact amounts of collateral pledged for the City or its component unit under the Pooling Method, the potential exists for undercollateralization, and this risk may increase in periods of high cash flows. However, the State Treasurer of North Carolina enforces strict standards of financial stability for each depository that collateralizes public deposits under the Pooling Method. The City and its component unit have no formal policy

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

regarding custodial credit risks for deposits but relies on the State Treasurer to enforce standards of minimum capitalization for all pooling method financial institutions and to monitor them for compliance. The City complies with the provisions of G.S. 159-31 when designating official depositories and verifying that deposits are properly secured.

At June 30, 2020, the City's deposits had a carrying amount of \$11,939,959 and a bank balance of \$13,715,566. Of the City's bank balance, \$1,000,000 was covered by federal depository insurance, and the remainder was covered by collateral held under the Pooling Method. The ABC Board's deposits had a carrying amount of \$335,265 and a bank balance of \$318,453. Of the ABC Board's bank balance, \$250,000 was covered by federal depository insurance and the remainder was covered by collateral held under the Pooling Method. The City had petty cash of \$4,721 at June 30, 2020, and the ABC Board had petty cash of \$7,680.

#### **Investments**

At June 30, 2020, the City had the following investments and maturities:

|                        | Valuation            | <b>Book Value</b> |            | Ι            | ess Than  | Si | x Months to |
|------------------------|----------------------|-------------------|------------|--------------|-----------|----|-------------|
| Investment Type        | Measurement Method   | at 6/30/2020      |            | $\mathbf{S}$ | ix Months | ]  | Five Years  |
| US Government Agencies | Fair Value - Level 2 | \$                | 1,887,592  | \$           | 500,000   | \$ | 1,387,592   |
| NCCMT - Govt Portfolio | Fair Value - Level 1 |                   | 8,041,890  |              | N/A       |    | -           |
| NCCMT - Term Portfolio | Fair Value - Level 1 |                   | 8,214,954  |              | 8,214,954 |    |             |
| Total                  |                      | \$                | 18,144,436 | \$           | 8,714,954 | \$ | 1,387,592   |

All investments are measured using the market approach; using prices and other relevant information generated by market transactions involving identical or comparable assets or a group of assets. Level of fair value hierarchy: Level 1 debt securities are valued using directly observable, quoted prices (unadjusted) in active markets for identical assets. Level 2 debt securities are valued using a matrix pricing technique. Matrix pricing is used to value securities based on the securities' benchmark quoted prices.

Interest Rate Risk. As a means of limiting its exposure to fair value losses arising from rising interest rates, to the extent possible, the City attempts to match its investments to anticipated cash flow requirements. Unless matched to a specific cash flow, the City will not directly invest in securities maturing more than five years from the date of purchase. The City's investment policy requires purchases of securities to be laddered with staggered maturity dates.

Credit Risk. The City has no formal policy regarding credit risk but has internal management procedures that limit the City's investments to the provisions of G.S. 159-30 and restricts the purchase of securities to the highest possible ratings whenever particular types of securities are rated. The City's investments in US agencies (Federal Home Loan Bank) are rated AAA by Standard and Poor's and Aaa by Moody's Investors Service. The City's investment in the North Carolina Capital Management Trust Government Portfolio carried a credit rating of AAAm by Standard and Poor's as of June 30, 2020. The City's investment in the NC Capital Management Trust Term Portfolio is unrated. The Term Portfolio is authorized to invest in obligations of the U.S. government and agencies, and in high grade money market instruments

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

as permitted under North Carolina General Statutes 159-30 as amended. All certificates of deposit are issued by banks organized under the laws of the State of North Carolina and are fully collateralized using the Pooling Method with the North Carolina Department of State Treasurer.

Concentration of Credit Risk. The City will diversify its investments by security type and institution. With the exception of US treasuries securities and authorized pools, no more than 50% of the City's total investment portfolio will be invested in a single security type and no more than 33% with a single financial institution. Less than 20% of the City's investments are in US government agencies; Federal Home Loan Bank is 10.40%, respectively.

#### Receivables – Allowances for Doubtful Accounts

Receivables presented in the Balance Sheet and the Statement of Net Position are net of the following allowances for doubtful accounts:

| 2031-2032   | 1,026,666               | 87,164       | 1,113,830     |  |  |  |  |  |  |  |
| Total       | \$ 8,720,538            | \$ 1,504,432 | \$ 10,224,970 |  |  |  |  |  |  |  |

The City's outstanding notes from direct placements related to governmental activities is \$8,720,538.

A note of \$945,871, which is secured with collateral of the equipment. The note contains provision that an event of default would result in: (1) the timing of repayment of outstanding amounts become immediately due; (2) enforce the City's performance of the applicable covenants of the agreement or recover for the breach thereof; (3) pay over any balance remaining in the Project Fund to be applied against outstanding required payments in any manner the bank may reasonably deem appropriate; and (4) avail itself of all available remedies under the agreement, including execution and foreclosure under execution on personal property or foreclosure and recovery of attorney's fees and other expenses.

A note of \$177,193, which is secured with collateral of the equipment. The note contains provision that an event of default would result in: (1) the timing of repayment of outstanding amounts become immediately due; (2) enforce the City's performance of the applicable covenants of the agreement or recover for the breach thereof; (3) pay over any balance remaining in the Project Fund to be applied against outstanding required payments in any manner the bank may reasonably deem appropriate; and (4) avail itself of all available remedies under the agreement, including execution and foreclosure under execution on personal property or foreclosure and recovery of attorney's fees and other expenses.

A note of \$275,782, which is secured with collateral of the equipment. The note contains provision that an event of default would result in: (1) the timing of repayment of outstanding amounts become immediately due; (2) enforce the City's performance of the applicable covenants of the agreement or recover for the breach thereof; (3) pay over any balance remaining in the Project Fund to be applied against outstanding required payments in any manner the bank may reasonably deem appropriate; and (4) avail itself of all available remedies under the agreement, including execution and foreclosure under execution on personal property or foreclosure and recovery of attorney's fees and other expenses.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

A note of \$6,160,000, which is secured with collateral of the property and equipment. The note contains provision that an event of default would result in: (1) the timing of repayment of outstanding amounts become immediately due; (2) enforce the City's performance of the applicable covenants of the agreement or recover for the breach thereof; (3) pay over any balance remaining in the Project Fund to be applied against outstanding required payments in any manner the bank may reasonably deem appropriate; and (4) avail itself of all available remedies under the agreement, including execution and foreclosure under execution on personal property or foreclosure and recovery of attorney's fees and other expenses.

A note of \$773,368, which is secured with collateral of the equipment. The note contains provision that an event of default would result in: (1) the timing of repayment of outstanding amounts become immediately due; (2) enforce the City's performance of the applicable covenants of the agreement or recover for the breach thereof; (3) pay over any balance remaining in the Project Fund to be applied against outstanding required payments in any manner the bank may reasonably deem appropriate; and (4) avail itself of all available remedies under the agreement, including execution and foreclosure under execution on personal property or foreclosure and recovery of attorney's fees and other expenses.

A note of \$388,324, which is secured with collateral of the equipment. The note contains provision that an event of default would result in: (1) the timing of repayment of outstanding amounts become immediately due; (2) enforce the City's performance of the applicable covenants of the agreement or recover for the breach thereof; (3) pay over any balance remaining in the Project Fund to be applied against outstanding required payments in any manner the bank may reasonably deem appropriate; and (4) avail itself of all available remedies under the agreement, including execution and foreclosure under execution on personal property or foreclosure and recovery of attorney's fees and other expenses.

The City's outstanding notes from direct borrowings and direct placements related to business-type activities is \$47,096,502.

The City's outstanding note from direct placement related to business-type activities of \$36,705 is secured with property. The interlocal agreement contains provisions that an event of default would result in (1) County shall have the right and option after subsequent failure to pay any amount of the City Share that is due and owing and then execute promissory note payable in the principal amount that the County paid in excess of the County Share and bearing interest at the rate of one and one-half percent per annum.

The City's outstanding note from direct placement related to business-type activities of \$9,483,434 is secured with property. The interlocal agreement contains provisions that an event of default would result in (1) County shall have the right and option after subsequent failure to pay any amount of the City Share that is due and owing and then execute promissory note payable in the principal amount that the County paid in excess of the County Share and bearing interest at the rate of one and one-half percent per annum.

A direct placement note of \$157,800, which is secured with collateral of the equipment. The note contains provision that an event of default would result in: (1) the timing of repayment of outstanding amounts become immediately due; (2) enforce the City's performance of the applicable covenants of the agreement or recover for the breach thereof; (3) pay over any balance remaining in the Project Fund to be applied against outstanding required payments in any manner the bank may reasonably deem appropriate; and (4) avail itself of all available remedies under the agreement, including execution and foreclosure under execution on personal property or foreclosure and recovery of attorney's fees and other expenses.

A direct placement note of \$97,185, which is secured with collateral of the equipment. The note contains provision that an event of default would result in: (1) the timing of repayment of outstanding amounts become immediately due; (2) enforce the City's performance of the applicable covenants of the agreement or recover for the breach thereof; (3) pay over any balance remaining in the Project Fund to be applied against outstanding required payments in any manner the bank may reasonably deem appropriate; and (4) avail itself of all available remedies under the agreement, including execution and foreclosure under execution on personal property or foreclosure and recovery of attorney's fees and other expenses.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

A direct placement note of \$188,341, which is secured with collateral of the equipment. The note contains provision that an event of default would result in: (1) the timing of repayment of outstanding amounts become immediately due; (2) enforce the City's performance of the applicable covenants of the agreement or recover for the breach thereof; (3) pay over any balance remaining in the Project Fund to be applied against outstanding required payments in any manner the bank may reasonably deem appropriate; and (4) avail itself of all available remedies under the agreement, including execution and foreclosure under execution on personal property or foreclosure and recovery of attorney's fees and other expenses.

A direct placement note of \$111,190, which is secured with collateral of the equipment. The note contains provision that an event of default would result in: (1) the timing of repayment of outstanding amounts become immediately due; (2) enforce the City's performance of the applicable covenants of the agreement or recover for the breach thereof; (3) pay over any balance remaining in the Project Fund to be applied against outstanding required payments in any manner the bank may reasonably deem appropriate; and (4) avail itself of all available remedies under the agreement, including execution and foreclosure under execution on personal property or foreclosure and recovery of attorney's fees and other expenses.

A direct placement note of \$283,748, which is secured with collateral of the equipment. The note contains provision that an event of default would result in: (1) the timing of repayment of outstanding amounts become immediately due; (2) enforce the City's performance of the applicable covenants of the agreement or recover for the breach thereof; (3) pay over any balance remaining in the Project Fund to be applied against outstanding required payments in any manner the bank may reasonably deem appropriate; and (4) avail itself of all available remedies under the agreement, including execution and foreclosure under execution on personal property or foreclosure and recovery of attorney's fees and other expenses.

A direct borrowing note of \$508,201, which is secured with collateral of sewer plant upgrades. The NCDENR note contains a provision failure to adopt on or before completion of project, place into effect and agree to maintain the principal sum is paid, a schedule of fees that will adequately provide for proper operation, maintenance and administration of the project and for repayment of all principal of and interest on loans. In the event of default, monies owed to the City by the State of North Carolina may be used to satisfy the debt requirement.

A direct borrowing note of \$2,347,829, which is secured with collateral of sewer plant upgrades. The NCDENR note contains a provision failure to adopt on or before completion of project, place into effect and agree to maintain the principal sum is paid, a schedule of fees that will adequately provide for proper operation, maintenance and administration of the project and for repayment of all principal of and interest on loans. In the event of default, monies owed to the City by the State of North Carolina may be used to satisfy the debt requirement.

A direct borrowing note of \$7,517,326, which is secured with collateral of sewer plant upgrades. The NCDENR note contains a provision failure to adopt on or before completion of project, place into effect and agree to maintain the principal sum is paid, a schedule of fees that will adequately provide for proper operation, maintenance and administration of the project and for repayment of all principal of and interest on loans. In the event of default, monies owed to the City by the State of North Carolina may be used to satisfy the debt requirement.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

A direct borrowing note of \$15,209,471, which is secured with collateral of water plant upgrades. The NCDENR note contains a provision failure to adopt on or before completion of project, place into effect and agree to maintain the principal sum is paid, a schedule of fees that will adequately provide for proper operation, maintenance and administration of the project and for repayment of all principal of and interest on loans. In the event of default, monies owed to the City by the State of North Carolina may be used to satisfy the debt requirement.

A direct borrowing note of \$11,155,272, which is secured with collateral of sewer plant upgrades. The NCDENR note contains a provision failure to adopt on or before completion of project, place into effect and agree to maintain the principal sum is paid, a schedule of fees that will adequately provide for proper operation, maintenance and administration of the project and for repayment of all principal of and interest on loans. In the event of default, monies owed to the City by the State of North Carolina may be used to satisfy the debt requirement.

**Revenue Bonds.** The City's revenue bonds were issued to provide funds for capital improvements. Revenue bonds have been issued for business-type activities in each of the major proprietary funds (water, sewer, electric, and gas). The City pledges revenues derived from the business-type activities to pay the debt service. The principal and interest requirements are paid when due from earnings of the proprietary funds.

The outstanding balances on these bonds at June 30, 2020 are as follows:

| Total              | \$               | 1,368,582 | \$       | 197,506 | \$    | 1,566,088 |  |

The City has pledged future water, sewer, electric, and gas customer revenues, net of specified operating expenses, to repay \$26,656,400 revenue bonds series 2010, 2013, 2015, and 2016. Proceeds from the bonds provided financing for various capital improvements. The bonds are payable solely from water, sewer, electric, and gas customer net revenues and are payable through 2031. Annual principal and interest payments on the bonds are expected to require less than 9 percent of net revenues. The total principal and interest remaining to be paid on the bonds is \$17,781,488. Principal and interest paid for the current year and total customer net revenues were \$2,302,829 and \$15,431,317, respectively.

The City has been in compliance with the covenants as to rates, fees, rentals, and charges in Section 704 of the Bond Order, authorizing the issuance of Revenue Bonds, Series 1995 since its adoption in 1995. Section 704(a) of the Bond Order requires the debt service coverage ratio to be no less than 125%. The debt service coverage ratio calculation for the year ended June 30, 2020 was as follows:

| Operating revenues   | \$ 52,350,287 |
|--|---------------|
| Operating expenses*  | 36,930,970    |
| Net income available for debt service                          | \$ 15,419,317 |
| Debt service, principal, and interest paid (Revenue bond only) | \$ 2,302,829  |
| Debt service coverage ratio                                    | 669.58%       |

<sup>\*</sup>Per rate covenants, this does not include depreciation and amortization expense of \$3,842,756.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

The other post-employment benefit obligation, and compensated absences are typically liquidated in the General Fund.

At June 30, 2020, the City has a legal debt margin of approximately \$122,800,000.

#### **Pension Plan and Post-Employment Obligations**

#### **Local Governmental Employees' Retirement System**

#### Description

The City of Shelby and the ABC Board are participating employers in the state-wide Local Governmental Employees' Retirement System (LGERS), a cost-sharing, multiple-employer, defined benefit pension plan administered by the State of North Carolina. LGERS membership is comprised of general employees and local law enforcement officers (LEOs) of participating local governmental entities. Article 3 of G.S. Chapter 128 assigns the authority to establish and amend benefit provisions to the North Carolina General Assembly. Management of the plan is vested in the LGERS Board of Trustees, which consists of 13 members – nine appointed by the Governor, one appointed by the State Senate, one appointed by the State House of Representatives, one appointed by the State Treasurer, and one appointed by the State Superintendent, who serve as ex-officio members. The Local Governmental Employees' Retirement System is included in the Comprehensive Annual Financial Report (CAFR) for the The state's CAFR includes financial statements and required State of North Carolina. supplementary information for LGERS. That report may be obtained by writing to the Office of the State Controller, 1410 Mail Service Center, Raleigh, North Carolina 27699-1410, by calling (919) 981-5454, or at www.osc.nc.gov.

#### Benefits Provided

LGERS provides retirement and survivor benefits. Retirement benefits are determined as 1.85% of the member's average final compensation times the member's years of creditable service. A member's average final compensation is calculated as the average of a member's four highest consecutive years of compensation. Plan members are eligible to retire with full retirement benefits at age 65 with five years of creditable service, at age 60 with 25 years of creditable service, or at any age with 30 years of creditable service. Plan members are eligible to retire with partial retirement benefits at age 50 with 20 years of creditable service, or at age 60 with five years of creditable service (age 55 for firefighters). Survivor benefits are available to eligible beneficiaries of members who die while in active service, or within 180 days of their last day of service, and who have either completed 20 years of creditable service regardless of age (15 years of creditable service for firefighters and rescue squad members who are killed in the line of duty), or have completed five years of service and have reached age 60. Eligible beneficiaries may elect to receive a monthly Survivor's Alternate Benefit for life or a return of the member's contributions. The plan does not provide for automatic post-retirement benefit increases. Increases are contingent upon actuarial gains of the plan.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

LGERS plan members who are LEOs are eligible to retire with full retirement benefits at age 55 with five years of creditable service as an officer, or at any age with 30 years of creditable service. LEO plan members are eligible to retire with partial retirement benefits at age 50 with 15 years of creditable service as an officer. Survivor benefits are available to eligible beneficiaries of LEO members who die while in active service, or within 180 days of their last day of service, and who also have either completed 20 years of creditable service regardless of age, or have completed 15 years of service as a LEO and have reached age 50, or have completed 15 years of creditable service as a LEO and have reached age 55, or have completed 15 years of creditable service as a LEO if killed in the line of duty. Eligible beneficiaries may elect to receive a monthly Survivor's Alternate Benefit for life or a return of the member's contributions.

#### Contributions

Contribution provisions are established by General Statute 128-30 and may be amended only by the North Carolina General Assembly. Employees are required to contribute 6% of their compensation. Employer contributions are actuarially determined and set annually by the LGERS Board of Trustees. The City of Shelby's contractually required contribution rate for the year ended June 30, 2020 was 9.70% of compensation for law enforcement officers and 9.01% for general employees and firefighters, actuarially determined as an amount that, when combined with employee contributions, is expected to finance the costs of benefits earned by employees during the year. Contributions to the pension plan from the City of Shelby were \$1,412,825 for the year ended June 30, 2020. The ABC Board's contributions to LGERS for the year ended June 30, 2020 were \$31,069.

#### Refunds of Contributions

City employees who have terminated service as a contributing member of LGERS may file an application for a refund of their contributions. By state law, refunds to members with at least five years of service include 4% interest. State law requires a 60-day waiting period after service termination before the refund may be paid. The acceptance of a refund payment cancels the individual's right to employer contributions or any other benefit provided by LGERS.

### Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2020, the City reported a liability of \$6,184,447 for its proportionate share of the net pension liability and the ABC Board reported \$81,108. The net pension liability was measured as of June 30, 2019. The total pension liability used to calculate the net pension asset was determined by an actuarial valuation as of December 31, 2018. The total pension liability was then rolled forward to the measurement date of June 30, 2019 utilizing update procedures incorporating the actuarial assumptions. The City's proportion of the net pension liability was based on a projection of the City's long-term share of future payroll covered by the pension plan, relative to the projected future payroll covered by the pension plan of all participating LGERS employers, actuarially determined. At June 30, 2019, (measurement date) the City's proportion was 0.2265%, which was an increase of 0.00387% from its proportion measured as of June 30, 2018.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

For the year ended June 30, 2020, the City recognized pension expense of \$2,745,519. At June 30, 2020, the City reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

|   | O  | Deferred<br>utflows of<br>esources | Inf | ferred<br>lows of<br>sources |
|---|----|------------------------------------|-----|------------------------------|
| Differences between expected and actual experience  | \$ | 1,058,934                          | \$  | -                            |
| Changes of assumptions  |    | 1,007,962                          |     | -                            |
| Net difference between projected and actual earnings on pension plan investments  |    | 150,847                            |     | -                            |
| Changes in proportion and differences between City contributions and proportionate share of contributions City contributions subsequent to the measurement date |    | 12,323<br>1,412,825                |     | 50,003                       |
| Total   | \$ | 3,642,891                          | \$  | 50,003                       |

\$1,412,825 reported as deferred outflows of resources related to pensions resulting from City contributions subsequent to the measurement date, will be recognized as a decrease of the net pension liability in the year ending June 30, 2021. Other amounts reported as deferred inflows and outflows of resources related to pensions will be recognized in pension expense as follows:

| Year Ending |              |
|-------------|--------------|
| June 30     | Amount       |
| 2021        | \$ 1,090,134 |
| 2022        | 330,398      |
| 2023        | 586,142      |
| 2024        | 173,389      |
| 2025        | -            |
| Thereafter  |              |
| Total       | \$ 2,180,063 |

#### **Actuarial Assumptions**

The total pension liability in the December 31, 2018 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

| Inflation                 | 3.0 percent                                   |
|---------------------------|---|
| Salary increases          | 3.50 to 8.10 percent, including inflation and |
|                           | productivity factor                           |
| Investment rate of return | 7.00 percent, net of pension plan investment  |
|                           | expense, including inflation                  |

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

The plan currently uses mortality tables that vary by age, gender, employee group (i.e. general, law enforcement officer), and health status (i.e. disabled and healthy). The current mortality rates are based on published tables and based on studies that cover significant portions of the U.S. population. The healthy mortality rates also contain a provision to reflect future mortality improvements.

The actuarial assumptions used in the December 31, 2018 valuation were based on the results of an actuarial experience study for the period January 1, 2010 through December 31, 2014.

Future ad hoc COLA amounts are not considered to be substantively automatic and are, therefore, not included in the measurement.

The projected long-term investment returns and inflation assumptions are developed through review of current and historical capital markets data, sell-side investment research, consultant whitepapers, and historical performance of investment strategies. Fixed income return projections reflect current yields across the U.S. Treasury yield curve and market expectations of forward yields projected and interpolated for multiple tenors and over multiple-year horizons. Global public equity return projections are established through analysis of the equity risk premium and the fixed income return projections. Other asset categories and strategies' return projections reflect the foregoing and historical data analysis.

These projections are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class as of June 30, 2019 are summarized in the following table:

|                      |              | Long-Term            |
|----------------------|--------------|----------------------|
|                      | Target       | <b>Expected Real</b> |
| Asset Class          | Allocation   | Rate of Return       |
| Fixed income         | 29.0%        | 1.4%                 |
| Global equity        | 42.0%        | 5.3%                 |
| Real estate          | 8.0%         | 4.3%                 |
| Alternatives         | 8.0%         | 8.9%                 |
| Credit               | 7.0%         | 6.0%                 |
| Inflation protection | <u>6.0</u> % | 4.0%                 |
| Total                | 100.0%       |                      |

The information above is based on 30-year expectations developed with the consulting actuary for the 2019 asset, liability, and investment policy study for the North Carolina Retirement Systems, including LGERS. The long-term nominal rates of return underlying the real rates of return are arithmetic annualized figures. The real rates of return are calculated from nominal rates by multiplicatively subtracting a long-term inflation assumption of 3.00%. All rates of return and inflation are annualized.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

#### Discount Rate

The discount rate used to measure the total pension liability was 7.0%. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current contribution rate and that contributions from employers will be made at statutorily required rates, actuarially determined. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of the current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

### Sensitivity of the City's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the City's proportionate share of the net pension liability calculated using the discount rate of 7.0%, as well as what the City's proportionate share of the net pension asset or net pension liability would be if it were calculated using a discount rate that is one percentage point lower (6.0%) or one percentage point higher (8.0%) than the current rate:

|                                   | 1%                      | Discount     | 1%               |  |
|-----------------------------------|-------------------------|--------------|------------------|--|
|                                   | <b>Decrease</b> (6.00%) | Rate (7.00%) | Increase (8.00%) |  |
| City's proportionate share of the |                         |              |                  |  |
| net pension liability (asset)     | \$14,144,959            | \$ 6,184,447 | \$ (432,353)     |  |

#### Pension Plan Fiduciary Net Position

Detailed information about the pension plan's fiduciary net position is available in the separately issued Comprehensive Annual Financial Report (CAFR) for the State of North Carolina.

#### Law Enforcement Officers' Special Separation Allowance

**Plan Description**. The City administers a public employee retirement system (the "Separation Allowance"), a single-employer defined benefit pension plan that provides retirement benefits to the City's qualified sworn law enforcement officers under the age of 62 who have completed at least 30 years of creditable service or have attained 55 years of age and have completed five or more years of creditable service. The Separation Allowance is equal to 0.85 percent of the annual equivalent of the base rate of compensation most recently applicable to the officer for each year of creditable service. The retirement benefits are not subject to any increases in salary or retirement allowances that may be authorized by the General Assembly. Article 12D of G.S. Chapter 143 assigns the authority to establish and amend benefit provisions to the North Carolina General Assembly. A separate report was not issued for the plan.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

All full-time law enforcement officers of the City are covered by the Separation Allowance. At December 31, 2018, the Separation Allowance's membership consisted of:

| Inactive members currently receiving benefits | 8  |
|---|----|
| Active members                                | 73 |
| Total   | 81 |

#### **Summary of Significant Accounting Policies**

*Basis of Accounting.* The City has chosen to fund the Separation Allowance on a pay-as-you-go basis. Pension expenditures are made from the General Fund, which is maintained on the modified accrual basis of accounting. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan.

The Separation Allowance has no assets accumulated in a trust that meet the following criteria, which are outlined in GASB Statements 73.

#### **Actuarial Assumptions**

The entry age normal actuarial cost method was used in the December 31, 2018 valuation. The total pension liability was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Inflation 2.50 percent

Salary increases 3.50 to 7.35 percent, including inflation and

productivity factor

Discount rate 3.26 percent

The discount rate used to measure the TPL is the S&P Municipal Bond 20-Year High Grade Rate Index.

The actuarial assumptions used in the December 31, 2018 valuation were based on the results of an experience study completed by the Actuary for the Local Government Employees' Retirement System for the five-year period ended December 31, 2014.

**Deaths After Retirement (Healthy):** RP-2014 Healthy Annuitant base rates projected to 2015 using MP-2015, projected forward generationally from 2015 using MP-2015. Rates are adjusted by 104% for males and 100% for females.

**Deaths Before Retirement:** RP-2014 Employee base rates projected to 2015 using MP-2015, projected forward generationally from 2015 using MP-2015.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

**Deaths After Retirement (Beneficiary):** RP-2014 Healthy Annuitant base rates projected to 2015 using MP-2015, projected forward generationally from 2015 using MP-2015. Rates are adjusted by 123% for males and females.

**Deaths After Retirement (Disabled):** RP-2014 Disabled Retiree base rates projected to 2015 using MP-20 15, projected forward generationally from 2015 using MP-20 15. Rates are adjusted by 103% for males and 99% for females.

Contributions. The City is required by Article 12D of G.S. Chapter 143 to provide these retirement benefits and has chosen to fund the amounts necessary to cover the benefits earned on a pay-as-you-go basis through appropriations made in the General Fund operation budget. There were no contributions made by the employees. The City's obligation to contribute to this Plan is established and may be amended by the North Carolina General Assembly. Administration costs of the Separation Allowance are financed through investment earnings. The City paid \$130,807 as benefits came due.

### Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2020, the City reported a total pension liability of \$2,767,698. The total pension liability was measured as of December 31, 2019 based on a December 31, 2018 actuarial valuation. The total pension liability was rolled forward to December 31, 2019 utilizing update procedures incorporating the actuarial assumptions. For the year ended June 30, 2020, the City recognized pension expense of \$219,332.

|  |    | eferred<br>of ows |    | eferred<br>Iflows of |
|--|----|-------------------|----|----------------------|
|  | R  | esources          | R  | esources             |
| Differences between expected and actual experience | \$ | 107,064           | \$ | 20,600               |
| Changes of assumptions and other inputs            |    | 135,796           |    | 78,580               |

The plan currently uses mortality tables that vary by age, and health status (i.e. disabled and healthy). The current mortality rates are based on published tables and based on studies that cover significant portions of the U.S. population. The healthy mortality rates also contain a provision to reflect future mortality improvements.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

The actuarial assumptions used in the December 31, 2018 valuation were based on the results of an actuarial experience study completed by the Actuary for the Local Government Employees' Retirement System for the five-year period ended December 31, 2014.

### Total Expense, Liabilities, and Deferred Outflows and Inflows of Resources of Related to Pensions

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

#### **Supplemental Retirement Income Plan for Law Enforcement Officers**

**Plan Description.** The City contributes to the Supplemental Retirement Income Plan (the "Plan"), a defined contribution pension plan administered by the Department of State Treasurer and a Board of Trustees. The Plan provides retirement benefits to law enforcement officers employed by the City. Article 5 of G.S. Chapter 135 assigns the authority to establish and amend benefit provisions to the North Carolina General Assembly. The Supplemental Retirement Income Plan for Law Enforcement Officers is included in the Comprehensive Annual Financial Report (CAFR) for the State of North Carolina. The state's CAFR includes the pension trust fund financial statements for the Internal Revenue Code Section 401(k) plan that includes the Supplemental Retirement Income Plan for Law Enforcement Officers. That report may be obtained by writing to the Office of the State Comptroller, 1410 Mail Service Center, Raleigh, North Carolina 27699-1410, or by calling (919) 981-5454.

**Funding Policy.** Article 12E of G.S. Chapter 143 requires the City to contribute each month an amount equal to 5% of each officer's salary, and all amounts contributed are vested immediately. Also, the law enforcement officers may make voluntary contributions to the Plan.

The City contributed \$770,075 for the reporting year. No amounts were forfeited.

#### **Other Post-Employment Benefits – Healthcare Benefits**

Plan Description. Under the terms of a City resolution, the City administers a single-employer, defined benefit Healthcare Benefits Plan (the HCB Plan). The City Board has the authority to establish and amend the benefit terms and financing requirements. This plan provides post-employment healthcare benefits to retirees of the City, provided they participate in the North Carolina Local Governmental Employees' Retirement System (System) and have at least 22 years of creditable service with the City. The City pays the full cost of coverage for these benefits through private insurers. Also, the City's retirees can purchase coverage for their dependents at the City's group rates. Retirees who qualify for coverage receive the same benefits as active employees. Coverage for all retirees who are eligible for Medicare will be transferred to a Medicare Supplemental plan after qualifying for Medicare. The City Council may amend the benefit provisions. A separate report was not issued for the Plan. No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement 75.

Membership of the Plan consisted of the following at June 30, 2019, the date of the latest actuarial valuation:

| Inactive plan members or beneficiaries currently |     |
|--|-----|
| receiving benefit payments                       | 58  |
| Active plan members                              | 317 |
| _  | 375 |

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

#### **Total OPEB Liability**

The City's total OPEB liability of \$16,252,566 was measured as of June 30, 2019 and was determined by an actuarial valuation as of June 30, 2019.

Actuarial Assumptions and Other Inputs. The total OPEB liability in the June 30, 2019 actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement unless otherwise specified:

Inflation 2.50 percent

Salary increases 3.50 to 7.75 percent, including wage inflation

Discount rate 3.50 percent

Healthcare Cost Trends:

Pre-Medicare 7.00 percent for 2019 decreasing to an ultimate

rate of 4.50% by 2026

#### **Changes in the Total OPEB Liability**

|  | <b>Total OPEB</b> |  |
|--|-------------------|--|
|  | <b>Liability</b>  |  |
| Balance at June 30, 2019                           | \$ 16,973,586     |  |
| Changes for the year:                              |                   |  |
| Service cost                                       | 749,635           |  |
| Interest   | 643,340           |  |
| Differences between expected and actual experience | (1,569,626)       |  |
| Changes of assumptions or other inputs             | 334,602           |  |
| Benefit payments                                   | (878,971)         |  |
| Net changes  | (721,020)         |  |
| Balance at June 30, 2020                           | \$ 16,252,566     |  |

The City selected a Municipal Bond Index Rate equal to the Bond Buyer 20-year General Obligation Bond Index published at the last Thursday of June by the Bond Buyer, and the Municipal Bond Index Rate as of the measurement date as the discount rate used to measure the TOL.

Mortality rates were based on the RP-2014 mortality tables, with adjustments for LGERS experience and generational mortality improvements using Scale MP-2015.

The demographic actuarial assumptions for retirement, disability incidence, withdrawal, and salary increases used in the June 30, 2019 valuation were based on the results of an actuarial experience study for the period January 1, 2010 – December 31, 2014, adopted by the LGERS Board.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

The remaining actuarial assumptions (e.g., initial per capita costs, health care cost trends, rate of plan participation, rates of plan election, etc.) used in the June 30, 2019 valuation were based on a review of recent plan experience done concurrently with the June 30, 2019 valuation.

Sensitivity of the Total OPEB Liability to Changes in the Discount Rate. The following presents the total OPEB liability of the City, as well as what the City's total OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower (2.50 percent) or 1-percentage-point higher (4.50 percent) than the current discount rate:

|                      |               | Current       |               |
|----------------------|---------------|---------------|---------------|
|                      | 1%            | Discount      | 1%            |
|                      | Decrease      | Rate          | Increase      |
|                      | (2.50%)       | (3.50%)       | (4.50%)       |
| Total OPEB liability | \$ 17,808,428 | \$ 16,252,566 | \$ 14,859,628 |

Sensitivity of the Total OPEB Liability to Changes in the Healthcare Cost Trend Rates. The following presents the total OPEB liability of the City, as well as what the City's total OPEB liability would be if it were calculated using healthcare cost trend rates that are 1-percentage-point lower or 1-percentage-point higher than the current healthcare cost trend rates:

|                      | 1%            |               | 1%            |
|----------------------|---------------|---------------|---------------|
|                      | Decrease      | Current       | Increase      |
| Total OPEB liability | \$ 14,573,201 | \$ 16,252,566 | \$ 18,241,426 |

### **OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB**

For the year ended June 30, 2020, the City recognized OPEB expense of \$1,079,356. At June 30, 2020, the City reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

|  | Deferred<br>Outflows of<br>Resources |           | of Inflows of |           |
|--|--------------------------------------|-----------|---------------|-----------|
|  |                                      | esources  |               | esources  |
| Differences between expected and actual experience | \$                                   | 75,389    | \$            | 1,384,529 |
| Changes of assumptions and other inputs            |                                      | 295,144   |               | 950,245   |
| City benefit payments and administrative expenses  |                                      |           |               |           |
| subsequent to the measurement date                 |                                      | 876,469   |               | _         |
| Total  | \$                                   | 1,247,002 | \$            | 2,334,774 |

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

\$876,469 reported as deferred outflows of resources related to OPEB resulting from benefit payments made and administrative expenses incurred subsequent to the measurement date will be recognized as a decrease of the total OPEB liability in the year ending June 30, 2021. Other amounts reported as deferred inflows and outflows of resources related to OPEB will be recognized in OPEB expense as follows:

| Year Ending |               |
|-------------|---------------|
| June 30     | Amount        |
| 2021        | \$ (313,616)  |
| 2022        | (313,616)     |
| 2023        | (313,616)     |
| 2024        | (313,616)     |
| 2025        | (299,163)     |
| Thereafter  | (410,614)     |
| Total       | \$(1,964,241) |

#### **Other Employment Benefit**

The City and ABC Board have elected to provide death benefits to employees through the Death Benefit Plan for members of the Local Government Employees' Retirement System (the "Death Benefit Plan"), a multiple-employer, state-administered, cost-sharing plan funded on a one-year term cost basis. The beneficiaries of those employees who die in active service after one year of contributing membership in the System, or who die within 180 days after retirement or termination of service and have at least one year of contributing membership service in the System at the time of death, are eligible for death benefits. Lump-sum death benefit payments to beneficiaries are equal to the employee's 12 highest months' salary in a row during the 24 months prior to the employee's death, but the benefit may not exceed \$50,000 or be less than \$25,000. Because all death benefit payments are made from the Death Benefit Plan and not by the City and ABC Board, the City and ABC Board do not determine the number of eligible The City and ABC Board have no liability beyond payment of monthly contributions. The contributions to the Death Benefit Plan cannot be separated between the post-employment benefit amount and the other benefit amount. Contributions are determined as a percentage of monthly payroll based upon rates established annually by the state. Separate rates are set for employees not engaged in law enforcement and for law enforcement officers. The City and ABC Board consider these contributions to be immaterial.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

#### **Deferred Outflows and Inflows of Resources**

The City has several deferred outflows and inflows of resources. They are comprised of the following:

| Source   | Deferred<br>Outflows | Deferred<br>Inflows |  |  |
|--|----------------------|---------------------|--|--|
| Contributions to pension plan in current fiscal year:  |                      |                     |  |  |
| LGERS  | \$ 1,412,825         | \$ -                |  |  |

| Total  | \$ 5,580,996         | \$ 2,965,429        |  |  |

#### **Risk Management**

The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The City participates in three self-funded, risk-financing pools administered by the North Carolina League of Municipalities. Through these pools, the City obtains general liability and auto liability coverage of \$1 million per occurrence, property coverage up to the total insurance values of the property policy, workers' compensation coverage up to statutory limits, and employee health coverage. The liability and property exposures are reinsured through commercial carriers for claims in excess of retentions as selected by the Board of Trustees each year. Stop/loss insurance is purchased by the Board of Trustees to protect against large medical claims that exceed certain dollar cost levels. Specific information on the limits of the

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

reinsurance, excess and stop/loss policies purchased by the Board of Trustees can be obtained by contacting the Risk Management Services Department of the NC League of Municipalities. The pools are audited annually by certified public accountants, and the audited financial statements are available to the City upon request.

There have been no significant reductions in insurance coverage in the prior year, and settled claims have not exceeded coverage. All premiums are paid to date.

For all buildings and contents located in the National Flood Insurance Program (NFIP) Flood Zones B, C, or X, the flood deductible is \$50,000 per occurrence. There is no flood coverage for buildings or contents not located in flood zones B, C, or X. The occurrence and aggregate limit is \$5,000,000.

The ABC Board is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The ABC Board has commercial property, general liability, auto liability, workers' compensation, and employee health coverage. The ABC Board also has liquor legal liability coverage. There have been no significant reductions in insurance coverage in the prior year, and settled claims have not exceeded coverage in any of the past three fiscal years.

In accordance with G.S. 159-29, the City's employees that have access to \$100 or more at any given time of the City's funds are fidelity bonded through a commercial fidelity position bond. The Finance Officer is bonded for \$100,000. The remaining employees that have access to funds are bonded under a blanket bond for \$50,000.

In accordance with G.S. 18B-700(i), each ABC Board member and the employee designated as the General Manager and Finance Officer are bonded in the amount of \$50,000 secured by a corporate surety.

#### Claims, Judgments, and Contingent Liabilities

At June 30, 2020, the City was a defendant to various lawsuits. In the opinion of the City's management and the City attorney, the ultimate effect of these legal matters will not have a material adverse effect on the City's financial position.

#### **Summary Disclosure of Significant Contingencies**

The City has received proceeds from several federal and state grants. Periodic audits of these grants are required, and certain costs may be questioned as not being appropriate expenditures under the grant agreements. Such audits could result in the refund of grant monies to the grantor agencies. Management believes that any required refunds will be immaterial. No provision has been made in the accompanying financial statements for the refund of grant monies.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

#### 3. Interfund Balances and Activity

The composition of interfund balances as of June 30, 2020 is as follows:

| Receivable Fund Payable Fund          |                         | <br>Amount      |  |
|---------------------------------------|-------------------------|-----------------|--|
| Advances and due to/from other funds: |                         |                 |  |
| General Fund                          | Water Fund              | \$<br>939       |  |
| General Fund                          | Sewer Fund              | 2,304           |  |
| General Fund                          | Electric Fund           | 3,838           |  |
| General Fund                          | Gas Fund                | 3,955           |  |
| General Fund                          | Housing Assistance Fund | 316             |  |
| Electric Fund                         | Water Fund              | 490,500         |  |
| Electric Fund                         | Sewer Fund              | 1,309,500       |  |
| Gas Fund                              | Sewer Fund              | <br>890,000     |  |
| Total                                 |                         | \$<br>2,701,352 |  |

The \$1 million loan between the Gas Fund and the Sewer Fund will be repaid over 20 years. The amounts due in more than a year is shown as advances to/from other funds. The balance as of June 30, 2020 was \$890,000. The \$2 million loan between the Electric Fund and the Water and Sewer Funds will be repaid over 20 years. The amounts due in more than a year is shown as advances to/from other funds. The balances as of June 30, 2020 for the Water and Sewer Funds were \$490,500 and \$1,309,500, respectively. The \$11,352 interfund receivable between the General fund and Water, Sewer, Electric, Gas, and Housing Assistance Funds is due to timing differences and is due and payable in less than a year.

The composition of interfund transfers during the year was as follows:

| Transfer In           | Transfer Out         | <br>Amount      | Purpose                         |
|-----------------------|----------------------|-----------------|---------------------------------|
| General Fund          | Electric Fund        | \$<br>900,000   | City's transfer policy - return |
|                       | Gas Fund             | 2,400,000       | investment                      |

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

#### 4. Net Investment in Capital Assets

Net investment in capital assets is comprised of the following:

| Governmental Activities:                        |                |
|---|----------------|
| Capital assets, net of accumulated depreciation | \$ 59,969,886  |
| Outstanding balance on related debt             | (8,720,538)    |
| Unspent debt proceeds                           | 1,713,897      |
| Total governmental activities                   | \$ 52,963,245  |
| Businesss-Type Activities:                      |                |
| Water Fund:                                     |                |
| Capital assets, net of accumulated depreciation | \$ 57,326,079  |
| Outstanding balance on related debt             | (28,017,438)   |
| Deferred charge on refunding                    | 155,918        |
| Total Water                                     | 29,464,559     |
| Sewer Fund:                                     |                |
| Capital assets, net of accumulated depreciation | 70,943,945     |
| Outstanding balance on related debt             | (29,703,191)   |
| Deferred charge on refunding                    | 49,384         |
| Total Sewer                                     | 41,290,138     |
| Electric Fund:                                  |                |
| Capital assets, net of accumulated depreciation | 19,992,256     |
| Outstanding balance on related debt             | (2,261,296)    |
| Deferred charge on refunding                    | 126,907        |
| Total Electric                                  | 17,857,867     |
| Gas Fund:                                       |                |
| Capital assets, net of accumulated depreciation | 20,212,915     |
| Outstanding balance on related debt             | (2,549,436)    |
| Deferred charge on refunding                    | 41,856         |
| Total Gas                                       | 17,705,335     |
| Stormwater Fund:                                |                |
| Capital assets, net of accumulated depreciation | 164,353        |
| Outstanding balance on related debt             | (93,401)       |
| Total Stormwater                                | 70,952         |
| Housing Assistance Fund:                        |                |
| Capital assets, net of accumulated depreciation | 5,201,483      |
| Total business-type activities                  | \$ 111,590,334 |

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2020

#### 5. Jointly Governed Organizations

The City, in conjunction with 20 other local governments, is a member of the North Carolina Municipal Power Agency No. 1 (the "Agency"). The Agency was formed to enable municipalities that own electric distribution systems to finance, construct, own, operate, and maintain generation and transmission facilities. Each participating government appoints one commissioner to the Agency's governing board. The 21 members who receive power from the Agency have signed power sales agreements to purchase a specified share of the power generated by the Agency. Except for the power sales purchase requirements, no local government participant has any obligation, entitlement, or residual interest. The City's purchases of power for the year ended June 30, 2020 were \$13,985,205.

The City is a member of the Isothermal Planning and Development Commission, one of 18 regional Councils of Government in North Carolina. Four counties and 29 municipalities comprise the Commission. Participating governments established the Commission to coordinate various funding from federal and state agencies and to provide assistance for specific projects. Each participating unit of government appoints one member to the Commission's governing board. The City paid membership fees of approximately \$11,104 to the Commission during the year ended June 30, 2020.

#### 6. Subsequent Events

In March 2020, the World Health Organization declared the outbreak of a coronavirus (COVID-19), a pandemic. As a result, economic uncertainties have arisen, which are likely to negatively impact City revenues. At the current time, we are unable to quantify the potential effects of this pandemic.

## REQUIRED SUPPLEMENTARY INFORMATION

This section consists of the following additional information required by accounting principles generally accepted in the United States of America:

- Schedule of Changes in Total OPEB Liability and Related Ratios
- Schedule of Proportionate Share of Net Pension Liability (Asset) to the Local Government Employees' Retirement System
- Schedule of Contributions to the Local Government Employees' Retirement System
- Schedule of Changes in Total Pension Liability for the Law Enforcement Officers' Special Separation Allowance
- Schedule of Total Pension Liability as a Percentage of Covered Payroll for the Law Enforcement Officers' Special Separation Allowance

# NONMAJOR GOVERNMENTAL FUNDS COMBINING STATEMENTS AND SCHEDULES

Nonmajor governmental funds are combined and presented in the aggregate as "nonmajor funds" in the basic financial statements. The City's nonmajor governmental funds are as follows:

#### Special Revenue Funds

- Emergency Telephone System Fund This fund accounts for collection of monies to provide enhanced 911 services.
- Economic Development Commission Fund This fund is used to account for specific revenues that are restricted to fund continuing rehabilitation of redevelopment projects with certain targeted areas of the City and downtown revitalization.

#### Capital Project Funds

- **Economic Development Project Fund** This fund is used to account for City projects that support economic development efforts for the area.
- **Economic Development Reserve Fund** This fund is used to account for financing transactions related to economic development efforts.

#### Permanent Funds

- Raper Roark Trust Fund This fund is used to account for contributed assets where the principal contributions must be held intact and the income earned by the principal will be used for redevelopment, revitalization, and beautification of downtown Shelby.
- Cemetery Fund This fund is used to account for the perpetual care of the municipal cemetery.

# PROPRIETARY FUNDS ENTERPRISE FUNDS

Enterprise funds are used to account for revenues resulting primarily from charges for services provided to the general public and the related costs of such services. The City maintains the following enterprise funds:

#### Major Enterprise Funds

- Water Fund This fund accounts for the revenues and expenses associated with the production, distribution, and transmission of potable water by the City to its users.
- **Sewer Fund** This fund accounts for the revenues and expenses associated with operating and maintaining the City's sewer systems.
- **Electric Fund** This fund accounts for the revenues and expenses associated with the distribution and transmission of electricity by the City to its users.
- Gas Fund This fund accounts for the revenues and expenses associated with the distribution of natural gas by the City to its users.

#### Nonmajor Enterprise Fund

- **Stormwater Fund** This fund accounts for the revenues and expenses associated with operating and maintaining the City's stormwater systems.
- **Housing Assistance Fund** This fund is used to account for the activities associated with housing projects for low-income persons, including families, elderly, and/or handicapped persons. Funding is from the City and the U.S. Department of Housing and Urban Development.

## STATISTICAL SECTION

This part of the City of Shelby's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information say about the City's overall financial condition. The schedules included in this section can be categorized as follows:

#### Financial Trends (Page 126-129)

These schedules contain trend information to help the reader understand how the City's financial performance and well-being have changed over time.

#### Revenue Capacity (Page 130-136)

These schedules contain information to help the reader assess the City's most significant local revenue source, the property tax.

### Debt Capacity (Page 137-142)

These schedules present information to help the reader assess the affordability of the City's current levels of outstanding debt and the City's ability to issue additional debt in the future.

#### Demographic and Economic Information (Page 143-145)

These schedules offer demographic and economic indicators to help the reader understand the environment within which the City's financial activities take place.

#### Operating Information (Page 146-147)

These schedules contain service and infrastructure data to help the reader understand how the information in the City's financial report relates to the services the City provides and the activities it performs.

Unless otherwise noted, the information shown on the attached schedules was derived from the comprehensive annual financial reports for the relevant year.

Source: Cleveland County Tax Collector's Office

Notes: Includes Municipal Service District

<sup>\*</sup> The City's property tax rate is levied each July 1st on the assessed value listed as of the prior January 1st for all real and personal property located within the City. Assessed valuations are established by Cleveland County at 100% of the estimated market value. Public Service Company property is certified by the State of North Carolina at 100% of actual value, with no distinction between real and personal property values. The City implemented a staggered motor vehicle property tax billing system during 1993-1994, which was required by State Statute. Under this system, property taxes are billed as motor vehicle registrations are renewed.

<sup>\*\*</sup> A revaluation of real property is required by North Carolina General Statutes at least every eight years (Cleveland County conducts a revaluation every four years). The last revaluation was completed in 2008.

# Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

#### **Independent Auditor's Report**

To the Honorable Mayor and Members of the City Council City of Shelby Shelby, North Carolina

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the accompanying financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the City of Shelby, North Carolina, as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated October 26, 2020. Our report includes a reference to other auditors who audited the financial statements of the City of Shelby ABC Board, as described in our report on the City of Shelby's financial statements. The financial statements of the City of Shelby ABC Board were not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not include reporting on internal control over financial reporting or instances of reportable noncompliance associated with the City of Shelby ABC Board.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the City of Shelby's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Shelby's internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Shelby's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City of Shelby's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, non-compliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of non-compliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance Required by the Uniform Guidance; and the State Single Audit Implementation Act

#### **Independent Auditor's Report**

To the Honorable Mayor and Members of the City Council City of Shelby Shelby, North Carolina

#### Report on Compliance for Each Major Federal Program

We have audited the City of Shelby, North Carolina's, compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and the *Audit Manual for Governmental Auditors in North Carolina*, issued by the Local Government Commission that could have a direct and material effect on each of the City of Shelby's major federal programs for the year ended June 30, 2020. The City of Shelby's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings, Responses, and Questioned Costs.

#### Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the City of Shelby's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and the State Single Audit Implementation Act. Those standards, the Uniform Guidance, and the State Single Audit Implementation Act require that we plan and perform the audit to obtain reasonable assurance about whether non-compliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City of Shelby's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the City of Shelby's compliance.

#### Opinion on Each Major Federal Program

In our opinion, the City of Shelby complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

#### **Report on Internal Control Over Compliance**

Management of the City of Shelby is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City of Shelby's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City of Shelby's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, non-compliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material non-compliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### Report on Compliance for Each Major State Program and Report on Internal Control Over Compliance Required by the Uniform Guidance; and the State Single Audit Implementation Act

#### **Independent Auditor's Report**

To the Honorable Mayor and Members of the City Council City of Shelby Shelby, North Carolina

#### Report on Compliance for Each Major State Program

We have audited the City of Shelby, North Carolina's, compliance with the types of compliance requirements described in the *Audit Manual for Governmental Auditors in North Carolina*, issued by the Local Government Commission that could have a direct and material effect on each of the City of Shelby's major state programs for the year ended June 30, 2020. The City of Shelby's major state programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings, Responses, and Questioned Costs.

#### Management's Responsibility

Management is responsible for compliance with state statutes, regulations, and the terms and conditions of its state awards applicable to its state programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the City of Shelby's major state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and applicable sections of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), as described in the *Audit Manual for Governmental Auditors in North Carolina*, and the State Single Audit Implementation Act. Those standards, the Uniform Guidance, and the State Single Audit Implementation Act require that we plan and perform the audit to obtain reasonable assurance about whether non-compliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state program occurred. An audit includes examining, on a test basis, evidence about the City of Shelby's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major state programs. However, our audit does not provide a legal determination of the City of Shelby's compliance.

#### Opinion on Each Major State Program

In our opinion, the City of Shelby complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major state programs for the year ended June 30, 2020.

#### **Report on Internal Control Over Compliance**

Management of the City of Shelby is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City of Shelby's internal control over compliance with the types of requirements that could have a direct and material effect on each major state program in order to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major state program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City of Shelby's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, non-compliance with a type of compliance requirement of a state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is reasonable possibility that material non-compliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance with a type of compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

## SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE AWARDS FOR THE YEAR ENDED JUNE 30, 2020

#### Notes to the Schedule of Expenditures of Federal and State Awards

#### 1. Basis of Presentation

The accompanying Schedule of Expenditures of Federal and State Awards (SEFSA) includes the federal and state grant activity of the City of Shelby under the programs of the federal government and the State of North Carolina for the year ended June 30, 2020. The information in this SEFSA is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards and the State Single Audit Implementation Act. Because the SEFSA presents only a selected portion of the operations of the City of Shelby, it is not intended to, and does not, present the financial position, changes in net position or cash flows of the City of Shelby.

#### 2. Summary of Significant Accounting Principles

Expenditures reported in the SEFSA are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein, certain types of expenditures are not allowable or are limited as to reimbursement.

#### 3. Loans Outstanding

The City of Shelby had the following loan balances outstanding at June 30, 2020 for loans that the grantor/pass-through grantor has still imposed continuing compliance requirements. Loans outstanding at the beginning of the year and loans made during the year are included in the SEFSA. The balance of loans outstanding at June 30, 2020 consists of:

|  |        | Pass-through    |               |  |  |
|--|--------|-----------------|---------------|--|--|
|  | CFDA   | Grantor's       | Amount        |  |  |
| Program Title  | Number | Number          | Outstanding   |  |  |
| Capitalization Grants for Clean Water State Revolving Funds    | 66.458 | E-SRF-T-15-0411 | \$ 11,155,272 |  |  |
| Capitalization Grants for Drinking Water State Revolving Funds | 66.468 | H-LRX-F-18-1925 | 15,209,471    |  |  |

The City of Shelby had expenditures of \$12,605,855 at 6/30/20, under the Capitalization Grants for Clean Water State Revolving Funds. Draw downs made for the debt totaled \$11,155,272; therefore, there the debt balance at 6/30/20 is \$11,155,272. The City plans to make the final draw in FY 2021.

The City of Shelby had expenditures of \$9,873,954 at 6/30/20, under the Capitalization Grants for Drinking Water State Revolving funds. Draw downs made for therefore, debt balance at 6/30/20 totaled \$15,209,471. The City plans to make the final draw in FY 2021.

#### 4. Indirect Cost Rate

The City of Shelby has elected not to use the 10-percent de minimus indirect cost rate as allowed under the Uniform Guidance.
